

Why Not Have Your Horses Look like This?

Everyone knows that Oats is a splendid feed for horses, but they cost too much. You can get a better feed for less money. Besides there is always some danger in feeding Oats. Might as well feed Paris Green as Green Oats. Then you never know when a little fermentation or something may have commenced until this horse lies down. New grain makes soft muscles, excessive sweat, colic, scours and a dozen other things; so you take big chances in feeding raw grain.

That is why SCHUMACHER STOCK FEED (Corn, Oats and Barley) is the best substitute. All moisture removed, finely ground, making less work for the stomach. It's palatable; the animals like it.

Use Schumacher Feed and Hay whether you keep one horse or a hundred. You will be satisfied; it keeps the coat glossy.

Write us if your Dealer cannot supply you.

The Quaker Oats Co.

PETERBORO, ONTARIO
