CURED OF DRINKING.—"A young friend of more was on ell of an mea rable thirst for liquor, that had so prostrated his system that he was unable to do any lustness. He was entirely cured by the use of Hop Bitters. It allayed all that burning thirst; took away the appetite for liquor, made his nerves steady, and he has remained a solar and steady man for more than two jears, and has no desire to return to his cups, and I know of a number of others that have been cycled of drinking by it. From a leading R. R. Official, Cheage, I.1.

CONSUMPTION has well been compared to a worm in the bud, that saps vitality from the fairest flower. It steals the rose bloom from the cheek, and robs the vital spark from the stalwart and the strong. Hagyard's Pectoral Balsam "nips the worm in the bud." It is the best cough cure, and most effectual lung healer, known to medical science. Price 25 cents per bottle.
