SPECIAL NOTICE

We have decided in future to put Dr. Jug's Medicines in a Brown Jug instead of a glass bottle as heretofore. The Jug that we will use for this purpose are made of the finest imported Rockingham of a mottled brown colour, with Dr. Jug's Medicine for Lungs, Liver and Blood, in raised letters on the side.

Our reasons for making this change are: 1st - Its wonderful curative qualities will be better preserved by the medicine being kept entirely in the dark. 2nd - As the Jug will be registered, it will be impossible to counterfeit it. 3rd - The name, Dr. Jug's Medicine, will be more easily remembered by association. 4th - Our friends will be able to recognize at once that they are getting the genuine article, as there is no other medicine put up in a Jug. PRICE, \$1 PER JUG. SIX FOR \$5.

Scientific and Useful.

FRIED BREAD.—Cut the crust from slices of stale bread; dip them in a thin batter made of a cup of milk, two eggs and a heaping tablespoonful of flour salted slightly and fry in lard to a yellow brown. Serve hot.

BROWN BREAD.—One-half cup of Graham flour, one cup each of rye flour and cornmeal, one cup of milk, one-half cup of molasses, one even teaspoonful of salt, one even teaspoonful of soda, one tablespoonful of lard. Sift the soda and salt three times with the meal and flour; then put the meal and flour into a bowl. Mix the milk, lard and molasses together, warm slightly, and add to the contents of the bowl, gradually, stirring in well. Steam three hours.

THE PERFUME we consider to be at once the most delicate and most enduring—"Lulus of the Nile."

TO KEEP EGGS.—Slack one pound of good lime in about three-fourths of a pail of water (eight quarts), stir it thoroughly, and let it settle. Drain off the water and about a pint of settlings into a four-gallon stone jar, and set in the cellar, or other cool dark place. Put the clean, fresh eggs daily into this lime-water, taking care to drop them in carefully, so as not to crack them; cover, and they will keep good a year or more. They are liable to crack in boiling, unless you make a pin hole in the large end.

TEA BISCUIT.—One quart of flour, two heaping teaspoonfuls lard, two cups milk (new milk, if you can get it), one teaspoonful soda, and two of cream tartar, one saltspoon salt. Sift the cream of tartar into the flour, then put in the salt, then the lard, rubbed lightly through the flour with the hands, next the soda dissolved in a little of the milk, then, as rapidly as possible, the rest of the milk. Knead all together as fast as you can, roll out lightly, and cut into cake at least half an inch thick. Bake in a quick oven.

GIVE ELY'S CREAM BALM a trial. This justly celebrated remedy for the cure of catarrh, hay fever, cold in the head, etc., can be obtained of any reputable druggist, and may be relied upon as a safe and pleasant remedy for the above complaints and will give immediate relief. It is not a liquid, snuff or powder, has no offensive odor and can be used at any time with good results, as thousands can testify, among them some of the attaches of this office.—Spirit of the Times, May 29, 1886.

BAKED APPLES.—Select sour, juicy apples of equal size. Pare and core them, being careful to remove every particle of core. Set in a pan and fill all the cavities with sugar, put a small bit of butter on the top of each and sprinkle a little ground cinnamon over them. Put a little hot water in the pan and put in a good oven. Baste them occasionally as you would meat, and let them cook until perfectly tender. Remove from the pan carefully into the dish for the table, pouring the syrup over them. Let them get cool and serve with cream. They are very delicious.

MUFFINS.—They deserve "extensive circulation." We have the recipe as a special favour from a lady friend, at whose table we have enjoyed some capital specimens, made as follows: To one quart of milk add two eggs well beaten, a lump of butter half the size of an egg, and flour enough to make a stiff batter. Stir in half pint of yeast. Let them stand until perfectly light and then bake on a griddle, in tin rings made for the purpose. These are merely strips of tin three-quarters of an inch wide, made into rings from two and a half to three inches in diameter, without bottom, the ring being simply placed on a griddle, and the batter poured in to fill it.

\$500 REWARD is offered by the manufacturers of Dr. Sage's Catarrh Remedy, for a case of Chronic Nasal Catarrh which they cannot cure.

SYMPTOMS OF CATARRH.—Dull, heavy headache, obstruction of the nasal passages, discharge falling from the head into the throat, sometimes profuse, watery, and acid; at others, thick, tenacious, mucous, purulent, bloody, and putrid; the eyes are weak, watery, and inflamed; there is ringing in the ears, deafness, hacking or coughing to clear the throat, expectoration of offensive matter, together with scales from ulcers; the voice is changed and has a nasal twang; the breath is offensive; smell and taste are impaired; there is a sensation of dizziness with mental depression, a hacking cough and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians. By its mild, soothing, and healing properties, Dr. Sage's Catarrh Remedy cures the worst cases of Catarrh, "cold in the head," Coryza, and Catarrhal Headache. Sold by druggists everywhere. 50 cents.

"Untold Agony from Catarrh." Prof. W. HARRIS, the famous urologist, of Ithaca, N. Y., writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting." THOMAS J. RUSSELL, Esq., 2903 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

Three Bottles Cure Catarrh. ELI ROBBINS, Ruyon P. O., Columbia Co., Pa., says: "My daughter had catarrh when she was five years old, very badly. I saw Dr. Sage's Catarrh Remedy advertised, and procured a bottle for her, and soon saw that it helped her; a third bottle effected a permanent cure. She is now eighteen years old and sound and hearty."
