What the Recamier Preparations are, and why they are to be Used

RECAMIER CREAM which is the first of these world-famous preparations, is made from the recipe used by Julie Recamier. It is not a cosmetic, but an emollient to be applied at night just before retiring, and to be removed in the morning by bathing freely. It will remove tan and sunburn, pimples, red spots or blotches, and make your face and hands as smooth, as white and as soft as an infant's. Price \$1.50.

RECAMIER BALM is a beautifier pure and simple. It is not a whitewash, and unlike most liquids, Recamier Balm is exceedingly beneficial, and is absolutely imperceptible, except in the delicate freshness and youthfulness which it imparts to the skin. Price \$1.50.

RECAMIER LOTION will remove freckles and moth patches, is soothing and efficacious for any irritation of the cuticle, and is the most delightful of washes for removing the dust from the face after travelling, and is also invaluable to gentlemen to be used after shaving. Price \$1.50.

RECAMIER POWDER is in three shades—White, Flesh and Cream. It is the finest powder ever manufactured, and is delightful in the nursery, for gentlemen after shaving, and for the toilet generally. Large boxes, \$1; small boxes, 50c.

RECAMIER SOAP is a perfectly pure article, guaranteed free from animal fat. This Soap contains many of the healing ingredients used in compounding Recamier Cream and Lotion. Scented, 50c.; unscented, 25c.

Read the following quotation from a certificate signed by three of the most eminent chemists in America:—

"The constituents of the Recamier Cream are well-known remedial agents, and their properties are fully described and authorized in the American and French pharmacopias. They are combined in a way which, while novel, is chemically correct, the resulting preparation being perfectly safe and beneficial for the uses specified. In the proper sense of the word, Recamier Cream is not a cosmetic, but a remedial agent for the skin."

HOUSEHOLD HINTS.

CHOCOLATE JELLY.—Take seven spoonfuls of grated chocolate, the same of white sugar, one cup of sweet cream; mix together, and set over the fire and let come to a boil. Pour it over corn-starch pudding or put between layers of cake.

COFFEE CAKE.—One cup of sugar, one cup of melted butter, one cup New Orleans molasses, one cup of strong coffee, one egg, one teaspoonful of baking powder, one teaspoonful of ground cloves, one tablespoonful of ground cinnamon, one-half pound each of raisins and currants, four cups of sifted flour.

MOLASSES COOKIES.—One cup of butter, two cups of molasses, one teaspoonful of cloves, one tablespoonful of ginger, sufficient flour to make a stiff batter, not dough. Mold with the hands into small cakes and bake in a steady rather than quick oven, as they are apt to burn.

TRIFLES.—One quart flour, one cup sugar, two tablespoonfuls melted butter, one egg, two teaspoonfuls Cleveland's Superior Baking Powder, sifted with the flour, and enough sweet milk to make stiff as crullers. Roll into thin sheets and cut in pieces about two by four inches. Make as many cuts across the short way as possible. Pass two knitting needles under every other strip. Spread the needles as far apart as possible, and with them hold the trifles in the fat until a light brown. Try this receipt, the Trifles are delicious.

SILVER CAKE.—One-half cupful of butter, one cupful of sugar, one-half cupful of sweet milk with whites of four eggs, one and one-half cupfuls of flour, one teaspoonful of baking powder. Always beat the eggs separately and thoroughly, and always rub sugar and butter to a cream.

PLAIN CHOCOLATE.—Scrape one ounce (one of the small squares) of any plain chocolate fine; add to this two tablespoonfuls of sugar, and put it into a small saucepan with one tablespoonful of hot water; stir over a hot fire for a minute or two until it is perfectly smooth and glossy; then stir it all into a quart of boiling milk, or half milk and half water; mix thoroughly and serve immediately. If the chocolate is desired richer take twice as much chocolate, sugar and water. Made in this way, chocolate is perfectly smooth and free from oily particles. If it is allowed to boil after the chocolate is added to the milk it becomes oily and loses its fine flavour.

BAKED RICE WITH CHEESE.—One pint of boiled rice, half a cupful of grated cheese placed in alternate layers in a buttered earthen dish. Spread powdered cracker over the top with bits of butter, and over the whole pour one egg well beaten, one cupful of milk, one saltspoonful of dry mustard, half a teaspoonful of salt and a shake of cayenne pepper, thoroughly beaten together. Bake twenty minutes in a quick oven and serve very hot.

OUR HEALTHY CITY.—Toronto mortality is considerably lower than in other cities in the Dominion, as seen by the statistics published by the Government every month. Why? One reason is the people eat the right kind of food. The choice breakfast cereals and hygienic foods, manufactured in this city by the Ireland National Food Co., undoubtedly contribute much to the health and longevity of the people who use them, and they are d-e-l-i-c-i-o-u-s.
