THE WILLARD

A WORD ABOUT
XMAS PRESENTS.

WHAT MORE ACCEPTABLE PRESENT THAN A HANDSOME BOOK OR BIBLE?

We have just opened out some of our special lines for the holiday trade and our highest commendation of our stock is the fact that it is larger and more varied than ever. This season we are making a specialty of the finer lines of BOOKS, POETS, etc., etc., all in extra bindings. Just a few lines of our best values:—

Bibles. Bagster, Oxford, etc., from 25c. to \$25.00 in all grades and styles of bindings. A very nice gift for a Sabbath school teacher, or for father or mother.

Family Bibles. We can please every taste, the heavy gilt American and the finer and plainer English Bindings, notably Oxford, of which we have the finest line ever imported into Canada.

Gift Books. All the latest and best from leading English and American publishers.

Juvenile Books. An exceedingly well selected stock at all prices; we must reduce our stock, so are prepared to make special prices to S. S. teachers wanting a supply for their classes.

Art Books and Booklets. We have always been in the lead in this line, and this year we have no occasion to take a backward step. Our stock is simply elegant. We cannot enumerate here. Send for list.

Poets. All the popular poets in fine special bindings, prepared for our own trade. Our prices are the lowest. We, being direct importers, save middle profits. See the stock, it is our best advertisement.

Children's Board Books and Illustrated Annuals. Here we excel. Our stock is large and our figures are the ruling prices for this market. Will be glad to send special list.

S. S. Prizes. We have never been in a better position to cater to the wants of our friends in this line. A large stock carefully selected and at very low SPECIAL PRICES. As usual we will gladly send an extra quantity on approval. We pay return expense.

Text & Devotional Books. Frances Ridley Havergal, Charlotte Murray, and others and new editions of the favorite *Daily Light*. These are beautiful, and make an appropriate Xmas gift for a class. "My Counsellor" is the latest issue in this line from the Oxford press. It is in the finest Oxford style.

Christmas Cards. Always something new in this line. Teachers must have them for their classes for Xmas season, and we have reduced some of the last years cards so that the expense for a large class is reduced to the minimum.

Call and make your selections and we will lay aside until Christmas. Ask for our goods at local booksellers; if not in stock write direct; your letters will have careful attention.

"It is the safest and fairest Policy I have ever seen," was the remark made by a prominent representative of one of the largest and best American Life Insurance Companies when he had carefully examined the ordinary Life Policy of The Temperance and General Life Assurance Company.

This is the only policy offered to the Canadian public that can neither lapse nor expire, as to its paid-up value till death notices, after three annual premiums have been paid on it.
