

The Club notes with pleasure the honor conferred upon two former Presidents. Dr. J. F. Whiteaves has been awarded the Lyell medal by the Geological Society of London, an honor that has been conferred upon only two other Canadian scientists, Sir William Dawson, and Prof. Frank Adams; and Dr. R. Bell has been awarded the Patron's Gold Medal by the Royal Geographical Society, the Cullum Gold Medal by the American Geographical Society, and the Queen's Coronation Gold Medal for geological work in Canada.

The Club desires to express its gratitude for the appreciation of its work shown by the Ontario Legislature in increasing the annual grant from \$200 to \$300.

The Treasurer's Report shows a balance on hand of \$48.63.

The thanks of the Club are due to Principal White for placing the Normal School at its disposal, to the Library Board of the City Council, and to the Librarian, Mr. Burpee, for the use of the Lecture Hall of the Carnegie Library, and to the Press of the city for its efforts in furthering the work of the Club.

All of which is respectfully submitted.

T. E. CLARKE,  
Secretary.
