FAGG, REV. JOHN G.....	313	KNOX, REV. GEORGE WILLIAM.....	610

* The arrangement of the index has been altered somewhat to increase its simplicity and comprehensiveness. All departments are included under the Index of Subjects. Separate mention, as Africa, India, etc., are treated as much as possible as a whole, with separate divisions under the general head. Statistics of societies and boards are given under *Organized Work*, and new departments of Finance, Needs, Progress and Value of Missions are tabulated. D. L. Leonard.
