

St. George's Parish Journal.

We find it necessary to issue an extra number of the *Parish Journal* in order to place the Churchwardens' Report and Accounts in the hands of the Parishoners before the adjourned Vestry meeting to be held on Monday, 25th inst. The accounts are, as usual, accompanied by other accounts of the various branches of work in the Parish, and the whole are condensed in a statement which shows the aggregate of receipts and expenditures by the different Parochial organizations.

EASTER DAY SERVICES.

The services were as usual, bright and hearty, the decorations beautiful and the music and singing excellent. There were three celebrations of the Holy Communion, at which the number of Communicants were 71, 149 and 128—in all, 348. The attendance was large, especially in the evening, when it was found impossible to provide seats for all. The offertories at the forenoon and evening services amounted to \$257.25 as against \$166.12 last year.

PRESENTATION.

On Easter eve, at Choir practice, the Rector addressed Mr. Phillips, informing him that many members of the Congregation desired to express their appreciation of his musical talents and the pleasure they derived from his professional services to the Church, and emphasized his remarks by presenting to Mr. Phillips a purse of money subscribed for as an honorarium over and above his salary as organist. Mr. Phillips was taken completely by surprise, as he had not had the slightest hint of the intended gift.
