Studebaker Sprinkler

(PATENT IMPROVED.)

Does not clog or get out of order. Greatest width of spray can be graded from driver's seat to any volume.

We also make an **IMPROVED VERTICAL SPRAY** for Pavements

Street Sweeping Machine Is the Standard of Perfection.

Use no sweeper so effectually does the work for which it is designed as "The Studebaker." Sweeps Clean. No sweeper is constructed with the same degree of care and mechanical precision. Wears Well. "The Studebaker" has the smallest possible number of working parts, and has less than any other sweeper made. It is free from unnecessary complications. With reasonable care it gets out of order. Send for complete descriptive catalogue.
