

of that excellent constitution under which we live; that while it repudiates the slavery of the mind, it abhors the fettering of the body; and while it has emblazoned on its portals in characters of living light—read the Bible—it would never find its brother "guilty of a skin not coloured like its own!" It is also a Church that denies the right, so long as Divine Law is supreme, to divorce religion from education. In conclusion, he would remind them of the line—

"Vide meliora proboque deteriora sequor."
If men in this Province, while they saw and approved of good measures, had not for personal aggrandisement followed bad, we should not this evening have been called upon to stand up in the defence of the Church and her rights. (Applause.)

E. G. O'BRIEN, Esq., seconded the resolution, expressing regret that time was not now afforded for a more minute explanation of the objects of the Church Union by some gentleman who took part in its formation. The hour for such an explanation had passed. He would therefore only now add, that the motto of the Church must be fought at the polls, and that the motto throughout must be, "the Constitution in Church and State of Great Britain, Ireland, and the Colonies," and the rallying cry, "no surrender."

Resolution agreed to unanimously.
Rev. S. LETT, LL.D., moved the eighth resolution, which, being the most political of the series, was hardly likely to make a selection. It was intended to have been proposed by Alderman Dempsey, who commanded the confidence of the Irish Orangemen, but that gentleman was obliged to leave the meeting. The only principle which he (Dr. Lett) felt it necessary to (Applause.) He would now read the resolution:—"That the better to strengthen our position in the colony, and at the same time, wipe away the stain which acquiescence in the resolutions of the Representative Branch of the Legislature, adopted by religious Executive, if unresented, must leave upon the character of the colony, we shall henceforth use every legitimate means to return as Representatives to the Legislative Assembly, men who will be the fearless defenders and uncompromising advocates of those religious principles to which we are so firmly attached, and which form the true basis of a people's happiness and a nation's glory."

This was seconded by E. G. O'BRIEN, Esq., and adopted unanimously, as was the following, moved by A. M. CLARKE, Esq., Deputy Chairman of the Union, and seconded by Colonel KINGSMILL.
Resolved.—9. That borne down as our Representatives in this Province are, by the votes of the Roman Catholic Representatives of the Lower Province, we earnestly hope that the British Crown and Parliament may not surrender to the Provincial Parliament the power of making any ordinances touching religion in this Province; and that Petitions to Her Majesty and to the Imperial Parliament, against any such measure, be now adopted, and transmitted for presentation without delay.

Rev. Dr. LETT moved a vote of thanks to the Chairman, Mr. Arnold, remarking that his constant readiness to aid every good remark entitled him to the gratitude of all men, and formed an example which cannot be too generally followed.
The motion was carried by acclamation, and was briefly acknowledged by Mr. ARNOLD.
The meeting closed with prayer, at about a quarter past eleven o'clock.

The following Statistics of Religion in Canada, may be instructive at the present moment.

RELIGIOUS CENSUS.	
	Population.
The United Church of England and Ireland	171,751
Free Presbyterian Church	67,900
Other Presbyterian Church	64,729

AYER'S CHERRY PECTORAL
For the Cure of
COUGHS, COLDS,
HOARSENESS, BRONCHITIS,
WHOOPIING-COUGH, CRUP,
ASTHMA and CONSUMPTION
The uniform success which has attended the use of this preparation—its salutary effect—its power to relieve and cure affections of the Lungs, have gained for it a celebrity equalled by no other medicine. We offer it to the afflicted with entire confidence in its virtues, and the full belief that it will subdue and remove the severest attacks of disease upon the throat and Lungs. These results, as they become publicly known, very naturally attract the attention of medical men and philanthropists everywhere. What is their opinion of CHERRY PECTORAL may be seen in the following:—

VALENTINE MOTT, M. D.
Prof. Surgery Med. College, New York, says:—
"It gives me pleasure to certify the value and efficacy of Ayer's CHERRY PECTORAL, which I consider peculiarly adapted to cure diseases of the Throat and Lungs."
THE RIGHT REV. LORD BISHOP FIELD writes in a letter to his friend, who was fast sinking under an affection of the Lungs:—"Try the CHERRY PECTORAL, if any medicine can give you relief, with the blessing of God that will."
CHIEF JUSTICE EUSTIS, of Louisiana, writes "That a young daughter of his was cured of several severe attacks of Crup by the 'CHERRY PECTORAL.'"
Let the relieved sufferer speak for himself:—
Hartford, Jan. 26, 1847.

Dr. J. C. Ayer—Dear Sir.—Having been rescued from a painful and dangerous disease by your medicine, gratitude prompts me to send you this acknowledgment, not only in justice to you, but for the information of others in like affliction.
A slight cold upon the lungs, neglected at first, became so severe that spitting of blood, a violent cough and profuse night sweats followed and fastened upon me. I became emaciated, could not sleep, was distressed by my cough, and a pain through my chest and in short had all the alarming symptoms of quick consumption. No medicine seemed at all to reach my case, until I providentially tried your CHERRY PECTORAL, which soon relieved and now has cured me.
E. A. STEWART.
Albany, N.Y., April 17, 1848.

Dr. Ayer, Lowell—Dear Sir,—I have for years been afflicted with Asthma in the worst form; so that I have been obliged to sleep in my chair for a larger part of the time, being unable to breathe on my bed. I had tried a great many medicines, to no purpose until my physician prescribed, as an experiment, your CHERRY PECTORAL.
At first it appeared to make me worse, but in less than a week I began to experience the most gratifying relief from its use; and now, in four weeks, the disease is entirely removed. I can sleep on my bed with comfort, and enjoy a state of health which I had never expected to enjoy.
GEORGE S. FARRANT.
