**A STRANGE EXPERIENCE.**

*Suffered for Two Years with Sick Headache, Dizziness and Dyspepsia—How Relief was found.*

Mrs. S. W. Avery, says the Brantford Expositor, lives on Pleasant Ridge, about four miles out of the city of Brantford. Mr. and Mrs. Avery have always lived in that neighborhood, and he is the owner of two splendid farms. Having heard that Mrs. Avery had been cured of chronic dyspepsia and indigestion, by the use of Dr. Williams' Pink Pills, a reporter asked if she was willing to make public the facts concerning the cure. Mrs. Avery was perfectly willing to give her experience. "For the past two years," she said, "I had been troubled with a very sick headache, dizziness, and a cough which I believe were the symptoms of dyspepsia and indigestion, and I could find nothing to relieve me although I tried several different medicines. I could not even find anything which would relieve my cough, which at times would be very severe. I had read of Dr. Williams' Pink Pills, and was induced to try them. Before I had used two boxes I felt so much better and relieved from my distressing symptoms that I thought it best to continue taking them through the winter, and I used them with the result that I have been totally cured. I have not once since had the severe headaches which formerly made my life miserable and my cough has entirely disappeared. I strongly recommend Pink Pills to anyone who suffers from dizziness, headaches, indigestion, etc., and I believe they will derive great benefit from their use. As a blood builder and nerve restorer no other remedy has met with such brilliant success as Dr. Williams' Pink Pills, and in cases like that of Mrs. Avery's they never fail to bring relief and a cure. If your dealer does not keep Pink Pills they will be sent by mail on receipt of 50 cents a box or six boxes for \$2.50, by addressing the Dr. Williams Medicine Co., Brockville, Ont., or Schenectady, N. Y.
