

\$85 SOLID GOLD WATCH FREE!

This splendid, solid gold, hunting-case watch, is now sold for \$85; at that price it is the best bargain in America; until lately it could not be purchased for less than \$100. We have both ladies' and gents' sizes with works and cases of equal value. **ONE PERSON** in each locality can secure one of these elegant watches absolutely **FREE**. Those watches may be depended on, not only as solid gold, but as standing among the most perfect, correct and reliable timekeepers in the world. You ask how is this wonderful offer possible? We answer—we want one person in each locality to keep in their homes, and show to those who call, a complete line of our valuable and very useful **HOUSEHOLD SAMPLES**; like samples, as well as the watch, we send **ABSOLUTELY FREE**, and after you have kept them in your home for 2 months, and shown them to those who may have called, they become entirely your own property; it is possible to make this great offer, sending the **Solid Gold Watch** and large line of valuable samples **FREE**, for the reason that the showing of the samples in any locality, always results in a large trade for us; after our samples have been in a locality for a month or two, we usually get from \$1,000 to \$5,000 in trade from the surrounding country. Those who write to us at once will receive a great benefit for scarcely any work and trouble. This, the most remarkable and liberal offer ever known, is made in order that our valuable Household Samples may be placed at once where they can be seen, all over America; reader, it will be hardly any trouble for you to show them to those who may call at your house, and your reward will be most satisfactory. A postal card, on which to write us, costs but 1 cent, and if, after you know all, you do not care to go further, why no harm is done, but if you do send your address at once, you can secure, **FREE**, AN ELEGANT **SOLID GOLD, HUNTING-CASE WATCH** and our large, complete line of valuable **HOUSEHOLD SAMPLES**. We pay all express freight, etc. Address, **STINSON & CO., Box 157 Portland, Maine.**

REFRIGERATORS!

The use of a good Refrigerator is the truest economy. It keeps the contents in fit condition for food, and reduces the waste to a minimum. It requires more than the name to do this. Zinc-lined packing cases won't do it. The use of **THE ARCTIC** will repay its cost in a short time in actual saving, so grip this fact that
