These came to me from my own church a woman who said that her daughter had become greatly fascinated with the Romish worship, and wanted to unite with that church...

It matters not how often your advisers tell you that diseases such as bronchitis, asthma and catarrh are incurable; read the following notices and judge for yourselves.

DEAR DOCTOR, I have great pleasure in making public my experience of the benefits of your Spirometer and remedies for the cure of Catarrh and Bronchitis...

My dear Sir, I am very pleased to bear testimony to your mode of treating throat diseases. My little girl, eleven years of age, had various attacks of bronchitis...

I am, yours truly, L. GAULT. To Dr. M. Souville, 13 Phillips Square, Montreal.

Yellow Oil is par excellence the remedy for Pain, Lameness, Rheumatism, Gout, Deafness, Burns, Frost Bites, Stiff Joints, and all flesh wounds. Any medicine dealer can furnish it.

UNTRUE.—The rumor to the effect that the South Eastern Railway had leased the Stanstead, Shefford & Chamby Railway, extending two miles south of St. John's to Magog, has no foundation in fact.

For all purposes of a family medicine, HAGYARD'S YELLOW OIL is at the head of the list. It is used with unprecedented success, both internally and externally. It cures Sore Throat, Burns, Scalds, Frost Bites, relieves and often cures Asthma.

There is a rumor of the betrothal of the Princess Louise, eldest daughter of the Prince of Wales, to Prince Oscar Gustavus Adolphus, the eldest son of the King of Sweden. The Princess Louise is fourteen years of age, and the marriage will not take place for two years.

Ask your druggist for a trial bottle of Burdock Blood Bitters, it will only cost you 10 cents, and a few doses will prove its efficiency as a health restoring Tonic-regulator of the Bowels, Liver and Kidneys. It is specific for all diseases arising from impure blood and disordered secretions.

ROYAL MAIL STEAMERS.—The Captains of the Richelieu & Ontario Royal Mail Steamers, western route, for 1881, are as follows:—Spartan, Capt Bailey; Corsican, Capt D Sinclair; Algerian, Capt John Trowell; Passport, Capt J Irvine; Corinthian, Capt W Ada; Magnet, Capt A Cameron.

Do not let prejudice stand in the way of relief if you suffer from any lingering disease. Burdock Blood Bitters cure others, why should it not benefit you? It is specific for all forms of Blood, Liver, and Kidney Complaints, Nervous Headaches, General Debility, Scrofula, and all diseases of the Secretory system. Trial Bottles 10 cents.

The libel case of William Grace, Chairman of the Lindsay School Board, against Charles D. Barry, proprietor of the Canadian Post, in which \$500 damages were claimed, was tried at Lindsay, 5th instant, before Mr. Justice Galt. The case arose out of a criticism in the Post on the actions of the Chairman and of other members of the Board in re-engaging a teacher of alleged intemperate habits. The jury brought in a verdict for the defendant.

If you suffer from any chronic disease arising from Impure Blood, Stagnant Liver, disordered Kidneys or inactivity of the Bowels; if your Nervous System is debilitated from whatever cause arising, do not despair, but procure a trial bottle of Burdock Blood Bitters; it will only cost 10 cents, Large Bottles \$1.00. For sale by all medicine dealers.

At the Court of Chancery on 6th inst., in Toronto, Vice-Chancellor Blake delivered judgment in the case of the United States Direct Cable Company vs. the Dominion Telegraph Company, the arguments in relation to which were heard last January. His judgment was that the declaration asked for by the Cable Company, an English Company, should be granted, and that the Dominion Company pay the costs, and also the costs of the co-respondents.

A MISTAKE. It is a great and often fatal mistake to take repeated drastic purgatives for constipation, of the bowels, they induce piles and cause debility of the bowels, arousing the torpid Liver, and all the secretions to a healthy action; acting on the Kidneys, and renovating and toning the system in the most perfect manner.

WASHINGTON, D. C., April 5.—In private letters received from different parties in New York and elsewhere, relative to the arrest and imprisonment in Ireland of Irving Boynton, one gentleman writes from New York that he has known Boynton all his life, that he was born in New York, and is entitled to the protection of the United States Government. All the writers use the stereotyped expression, "He is languishing in a British prison," and urge the Secretary of State to rescue him at once. The writer who attests to Boynton having been born in New York says he became enthused over the exciting events in Ireland, went over, and became interested in the land question. The matter of Boynton's arrest is being investigated by the Department of State; when all the facts are gathered, the Secretary will decide what action to take. Unofficially it is well known that Boynton was arrested for violating British law on British soil, just the same as we would arrest any British subject who here might violate our laws. The only thing the United States can do is to use their influence with the British Government to have Boynton treated tenderly.

EPPE'S COCOA—GRATEFUL AND COMFORTING.—"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well selected cocoa, Mr. Eppe has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist any tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette. Sold only in packets labelled—"JAMES EPPE & CO. Homoeopathic Chemists, London, England." Also roasters of EPPE'S CHOCOLATE ESSENCE for afternoon use.

PROFIT \$1,200.

"To sum it up, six long years of bedridden sickness, costing \$200 per year, total \$1,200—all of this expense was stopped by three bottles of Hop Bitters, taken by my wife. She has done her own housework for a year since, without the loss of a day, and I want everybody to know it, for their benefit."—N. E. Farmer.

We read in a London paper: "A gentleman who devotes much of the working of a powerful mind to the subject mentions with horror the Premier's disregard of the times and seasons of a dinner when a particular wine shall be drunk. Mr. Gladstone (unlike Lord Beaconsfield) is a ready and eager talker at a well-filled dinner table. While he is holding forth the attentive butler fills in succession the numerous glasses at his right hand. While in the course of dinner the Premier feels inclined to drink, he takes the glass nearest to his hand and sips, regardless of its particular contents embarking once more in conversation, and again returning to the wine glasses, he will take up another—one one that looks full and is at all handy—and thus he proceeds throughout the dinner, mixing his liquors in a way that would be dangerous to an ordinary man, and is horrifying to the well-regulated mind. But Mr. Gladstone is never a penny the worse or the better for his refreshment. If the glasses were filled with plain water of different hues he would sip them with equal content."
