HEALTH WHERE 'TIS SOUGHT HOLLOWAY'S PILLS.

Cure of a Case of Weakness and Debility, of Four Years' Standing. Extract of a Letter from Mr. Smith, of No. 5, Little Thomas Street, Gibson Street, Lambeth, dated Dec. 12, 1850.

To Professor HOLLOWAY.— Sir—I beg to inform you that for nearly five years I hardly knew what it was to have a day's health, suffering from extreme weakness and debility with constant nervous headaches, giddiness and sickness of the stomach, together with a great depression of spirits. I used to think that nothing could benefit me, as I had been to many medical men, some of whom after doing all that was within their power, informed me that they considered that I had some spinal complaint beyond the reach of cure, together with a very disordered state of the stomach and liver, making my case so complicated that nothing would be done for me. One day, being unusually ill and in a dejected state, I saw your Pills advertised, and resolved to give them a trial, more perhaps from curiosity than a hope of being cured, however, I soon found myself better by taking them, and so I persevered in their use for six months, when I am happy to say they effected a perfect cure. [Signed] WILLIAM SMITH.

These celebrated Pills are wonderfully efficacious in the following complaints.

Table listing various ailments treated by Holloway's Pills, such as Ague, Asthma, Bilious Complaints, Bowel Complaints, Colic, Constipation of the Bowels, Consumption, Debility, Dropsy, Dysentery, Krysipelas, Female Irregularities, Fevers of all kinds, Erythema, Nore Throats, Stone and Gravel, Secondary Symptoms, Tic-Douleureux, Tumours, Ulcers, Venereal Affections, Worms of all kinds, Weakness from whatever cause, &c., &c.

Sold at the Establishment of Professor Holloway, 124, Strand, (near Temple Bar), London, and by all the most respectable Druggists, and Dealers in Medicines throughout the civilized World, and at the following prices—1s. 10d., 4s. 6d., and 7s. 6d., each Box. There is a considerable saving by taking the larger sizes.

AYER'S CHERRY PECTORAL.

For the Cure of Coughs, Croup, Hoarseness, Bronchitis, Whooping-Cough, Gravel, Asthma, and Consumption.

Among the numerous discoveries Science has made in this generation to facilitate the business of life—Increase its enjoyment, and even prolong the term of human existence, none can be named of more real value to mankind, than the contribution of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has given us a remedy, which no medicine or combination of medicines yet known, can so surely control and cure the numerous varieties of pulmonary disease which have hitherto brought down our millions of thousands and thousands every year. Indeed, there is now abundant reason to believe, that Ayer's Cherry Pectoral, may be relied upon to cure the most dangerous affections of the lungs. Our space here will not permit us to publish any particulars of the cure effected by its use, but we would present the following opinions of eminent men, and refer further enquiry to the circular which the Agent below named, will always be pleased to furnish free, where in are full particulars, and independent proof of these facts. From the President of Amherst College, the celebrated

Dr. James C. Ayer, Esq., I have used your Cherry Pectoral in my own case of deep-seated Bronchitis, and am satisfied from its chemical constitution, that it is an admirable compound for the relief of laryngeal and bronchial difficulties. If my opinion as to its superior character can be of any service, you are at liberty to use it as you think proper. EDWARD FITZGERALD, M.D.

From the widely celebrated Professor Sillman, M.D., L.L.D., Professor of Chemistry, Mineralogy, &c., Yale College, Member of the Lit. Hist. Nat. Phil. and Scientific Societies of America and Europe.

I deem the Cherry Pectoral an admirable composition from some of the best articles in the Materia Medica, and a very effective remedy for the class of diseases it is intended to cure. New Haven, Ct., Nov. 1, 1850.

Major Pattison, President of the B. C. Senate, states he has used the Cherry Pectoral with wonderful success, to cure an inflammation of the lungs.

From one of the best Physicians in Maine. Baco, Me., April 25, 1849.

Dr. J. C. Ayer, Lowell. Dear Sir: I am now constantly using your Cherry Pectoral in my practice, and prefer it to any other medicine for pulmonary complaints. From observation of many severe cases, I am convinced it will cure coughs, croup, and diseases of the lungs, that have put to defiance all other remedies.

I invariably recommend its use in cases of consumption, and consider it much the best remedy known for that disease.

Respectfully yours, I. S. CUSHMAN, M.D. Prepared and sold by James C. Ayer, Practical Chemist, Lowell, Mass.

Sold in Toronto by Lyman Brother & Co., in Hamilton by Hamilton & Knapp; in Kingston by N. W. Palmer; in Montreal by Lyman & Co.; in Quebec by Joseph Bowles, and by the Druggists everywhere throughout the Province and United States. Toronto, March 5th, 1852.
