# Mercantile Summary.

CHARLES BROWN, grocer, Peterboro, assigned  
to A. V. R. Young. His creditors met last  
week.

THE grangers of Ameliasburg township  
(Prince Edward County) have shipped this  
year 22,965 bush. of barley, valued at \$15,376.

Two hundred carloads of lumber, about  
three million feet, have been shipped this  
season by the R. C. Planing Mills at West-  
minster to Sir John Lister Kaye's farms in  
the vicinity of Regina, N. W. T.

THE shipments of fish from along the Lake  
Superior shore by the Port Arthur Fish Co.,  
during this year, amounted to 550 tons fresh  
and 250 salt, total value \$53,000, which all  
went to Canadian and United States markets.

EXPORTS of guano from Chili have of late  
been declining in consequence of the  
successful competition of the artificial manures  
now prepared from phosphates. On the other  
hand, the Chilian export of saltpetre is in-  
creasing; in 1887 the province of Tarapaca  
alone exported 712,000 tons.

A DEMAND of assignment has been served  
upon Timothee Caya, a small dealer at Gren-  
ville Bay, by a Montreal firm. He started  
some years since but appears to have never  
made any headway.—Hould & Frere, a small  
grocery firm in business eight months in Mon-  
treal, have assigned.

INCREDIBLE as it may seem, when the locale  
of the story and the probable residence of the  
writer of the answer is considered, the *Shoe  
and Leather Reporter* prints the following as a  
true story: "A shoe house advertised for a  
foreman in one of their factories, closing thus:  
'Address, stating experience and salary ex-  
pected, Box 3,211, Boston.' They received an  
answer superscribed: "Stating Experience and  
Salary Expected, Box 3,211, Boston."
