

Article 30. Each State Party undertakes to make satellite image data available on terms to be agreed by the Agency. The Agency shall, upon request, assist States Parties in the processing of satellite image data to facilitate the interpretation of events relevant to this Treaty. The procedures to be used by the Agency are laid down in the Operational Manual for Satellite Data Processing.

Article 31. The Agency shall facilitate cooperation among States Parties in using additional means of verification which any State Party may find useful. The Agency shall receive, compile and circulate any data relevant to the verification of this Treaty which any State Party makes available.

Article 32. The Agency shall, in consultation with the States Parties, provide technical support to establish, operate and maintain such additional means of verification.

Article 33. Additional means of verification of compliance with this Treaty may include acoustic and ionospheric measurements in the atmosphere.
