

ARTICLE 15

In the event that both Contracting Parties accept a general multilateral air transport convention, this Agreement shall be amended so as to conform with the provisions of the multilateral convention.

ARTICLE 16

Either Contracting Party may at any time give notice to the other Contracting Party of its decision to terminate the present Agreement; such notice shall be simultaneously communicated to the International Civil Aviation Organization. In such case the Agreement shall terminate one year after the date of receipt of the notice by the other Contracting Party, unless the notice to terminate is withdrawn by agreement before the expiry of this period. In the absence of acknowledgement of receipt by the other Contracting Party, this notice shall be deemed to have been received fourteen days after the receipt of the notice by the International Civil Aviation Organization.

ARTICLE 17

1. If any dispute arises between the Contracting Parties relating to the interpretation or application of the present Agreement, the Contracting Parties shall in the first place endeavour to settle it by negotiation.

2. If the Contracting Parties fail to reach a settlement by negotiation, they may agree to refer the dispute for decision to some person or body or either Contracting Party may submit the dispute for decision to a Tribunal of three arbitrators, one to be nominated by each Contracting Party and the third to be appointed by the two arbitrators. Each of the Contracting Parties shall nominate an arbitrator within a period of sixty days from the date of receipt by either Contracting Party from the other of a notice through diplomatic channels requesting arbitration of the dispute and the third arbitrator shall be appointed within a further period of sixty days. If either of the Contracting Parties fails to nominate an arbitrator within the period specified, or if the third arbitrator is not appointed within the period specified, the President of the Council of the International Civil Aviation Organization may be requested by either Contracting Party to appoint an arbitrator or arbitrators as the case requires. In all cases, the third arbitrator shall be a national of a third State and shall act as President of the arbitral body.

3. The Contracting Parties undertake to comply with any decision given under paragraph 2 of this Article.

4. The expense of the arbitration will be equally shared between the Contracting Parties.

ARTICLE 18

The present Agreement and any amendment to it shall be registered by the Government of Canada with the International Civil Aviation Organization.
