

The CHAIRMAN: It is moved by Mr. Howe and seconded by Mr. Rea that a recommendation be made to the house to empower this committee to print such papers and evidence as may be ordered by the committee.

Mr. BROOME: Mr. Chairman, I thought every committee had that power.

The CHAIRMAN: We have to ask for it here.

Mr. WINCH: Is it not customary to mention the number to be printed in English and the number to be printed in French?

The CHAIRMAN: We shall ask for that next. You have all heard the motion. Is it agreeable?

Agreed.

Now, we should have a motion to print with respect to Bill 18, "An act respecting British Columbia Telephone Company".

Mr. McGRATH: I move, seconded by Mr. Broome, that the committee print 700 copies in English and 200 copies in French of its Minutes of Proceedings and Evidence in relation to Bill 18.

The CHAIRMAN: You have all heard the motion. What is your pleasure?

Agreed.
