

"5. Gas exported under the authority of and in accordance with this licence shall be delivered to the point of export near Kingsgate, in the Province of British Columbia, through the pipeline systems of Foothills Pipe Lines (Alta.) Ltd., Foothills Pipe Lines (South B.C.) Ltd., Alberta Gas Trunk Line Company Limited and Alberta Natural Gas Company Ltd."

(4) adding the following condition:

"8. The extended period of the licence (see condition 2, paragraph (f)) shall be subject to having the quantity authorized for export during the period reduced by the Board should deliverability be insufficient to meet the Canadian requirements and authorized exports."

NATIONAL ENERGY BOARD

ORDER NO. AO-2-GL-61

IN THE MATTER OF the National Energy Board Act and the Regulations made thereunder; and
IN THE MATTER OF a variation, pursuant to subsection 17(2) of the National Energy Board Act, of Licence No. GL-61 issued to Consolidated Natural Gas Limited, filed with the Board under File No. 1537-C29-1.

BEFORE the Board on Monday, the 14th day of April, 1980

UPON an application by Consolidated Natural Gas Ltd. (hereinafter called "the Licensee"), dated the 26th day of February, 1980, to amend Licence No. GL-61 by adding Monchy, Saskatchewan as an additional export point,

AND UPON a public hearing having been held, commencing on the 18th day of March, 1980, at which the Licensee and other interested parties have been heard,

IT IS ORDERED

THAT Licence No. GL-61 be and the same is hereby changed, altered and varied by:

(1) deleting the phrase "at a place on the international boundary line between Canada and the United States of America near Emerson, in the Province of Manitoba" where it occurs therein and substituting therefor the phrase "at places on the international boundary line between Canada and the United States of America near Monchy, in the Province of Saskatchewan and near Emerson, in the Province of Manitoba".

(2) adding the following condition:

"8. Of the total quantity of gas authorized for export during each of the periods specified in condition 2, the quantity of gas that may be exported near Monchy, Saskatchewan, shall not exceed:

(a) for the period commencing on the 1st day of November, 1981, and ending on the 31st day of October, 1982, 1,742,500 cubic metres in any one day, or 636,000,000 cubic metres in the period;

(b) for the period commencing on the 1st day of November, 1982, and ending on the 31st day of October, 1985, 3,232,900 cubic metres in any one day, or 1,180,000,000 cubic metres in any consecutive twelve-month period ending on the 31st day of October;

(c) for the period commencing on the 1st day of November, 1985, and ending on the 31st day of October, 1986, 2,832,800 cubic metres in any one day, or 1,034,000,000 cubic metres in the period;

(d) for the period commencing on the 1st day of November, 1986, and ending on the 31st day of October, 1987, 1,416,400 cubic metres in any one day, or 517,000,000 cubic metres in the period, or

(e) for the six year period commencing on the 1st day of November, 1981, and ending on the 31st day of October, 1987, 5,099,000,000 cubic metres in the period."

NATIONAL ENERGY BOARD

Secretary

LICENCE NO. GL-62

IN THE MATTER OF an application by Pan-Alberta Gas Ltd. (hereinafter called "the Licensee") pursuant to the provisions of the National Energy Board Act (hereinafter referred to as "the Act") for a licence under Part VI thereof for the exportation of gas, under File No. 1537-P23-4.

BEFORE the Board on Monday, the 14th day of April, 1980.

WHEREAS an application dated the 12th day of February, 1980, has been made by the Licensee to the National Energy Board under Part VI of the Act for a licence for the exportation of gas at a place on the international boundary line between Canada and the United States of America near Kingsgate in the Province of Saskatchewan,

AND WHEREAS a public hearing has been held, commencing on the 18th day of March, 1980, at which the Licensee and other interested parties have been heard,

AND WHEREAS the Board has satisfied itself that the quantity of gas to be exported does not exceed the surplus remaining after due allowance has been made for the reasonably foreseeable requirements for use in Canada,

AND WHEREAS the Board has satisfied itself that the price to be charged by the Licensee for gas to be exported by it is just and reasonable in relation to the public interest,

NOW THEREFORE the National Energy Board, pursuant to section 82 of the Act, hereby issues this licence to Pan-Alberta Gas Ltd. for the exportation of gas at a place on the international boundary line between Canada and the United States of America near Monchy in the Province of Saskatchewan.
