Mr. Geoffrey Evans, C.I.E.,  
Principal,  
The Imperial College of Tropical Agriculture,  
Trinidad, B. W. I.

Dear Sir,

Sir Arthur Currie will be absent from Montreal for some time, as he is attending, as Canadian representative, the formal inauguration of New Delhi as the capital of British India.

Among correspondence not answered I find your letter of September 7th, along with the report by F. L. Engledow, and think, since you ask for its return promptly, I should send it away to you now. Sir Arthur was extremely busy during his last few weeks here, or I am sure would have written to you about it at some length.

May I add that I have read through most of the report and found it extremely interesting.

Yours faithfully,

Assistant to the Principal.
