

Appeal for Funds

The object of this appeal is to raise a fund of £1000 to be used for the purchase of books for the library of the British Museum. It is hoped that the public will be interested in this appeal and will contribute towards it.

The British Museum is one of the greatest libraries in the world. It contains a vast collection of books, manuscripts, and other objects of interest. It is a treasure-house of knowledge and a centre of learning. It is a pleasure to be able to contribute towards the purchase of books for this library.

The books which are to be purchased are of the highest quality and are of great value. They are books which will be of use to the public and will be a credit to the library. It is hoped that the public will be interested in this appeal and will contribute towards it.
