Dr. T.F. Cotton,
86 Brook St.,
London, W.1., England.

Dear Tommy:-

This will serve to introduce to you Mr. Henry
R.L. Davis, who has just completed his third year in Medicine at
this University, and who will take charge of the Canadian Universities'
Booth at Wembley during the month of August.

Anything you may find yourself able to do for Mr.
Davis will be very much appreciated.

Yours faithfully,

Wilfrid Bovey.
