

# "SALADA"

*Tea is Delicious*

B415

—a rich fragrant tea  
with an international re-  
putation for fine quality

*—sealed packets only*

ESTABLISHED 1872

## BANK OF HAMILTON

SECOND only to the requirements of the Government is the encouragement of increased production on farms and in factories. At no other time in our national life was the increment of wealth so essential to our welfare as it is now. The Bank of Hamilton offers facilities for the justifiable expansion of business.
