Sovereign Grease

ST. CATHARINES, July 20th, 1889.
To whom it may concern:
I have been using SOVEREIGN GREASE for the past two months, and I can say that it has given me entire satisfaction, and is a saving of 60 per cent. over Oil, and is that much better than Oil. I have been running eight (8) trips from St. Catharines to Montreal and return on 45 lbs. GREASE, and using it on my crank-pin as well as all other bearings.
Yours respectfully,
(Signed.) SAM BRISBIN,
Engineer "Ocean."
