It is thought proper to add to the information contained in the foregoing Sermon, that in the Diocese of Nova Scotia alone, which includes New Brunswick, Prince Edward Island, Newfoundland and the Bermudas, THE SOCIETY FOR THE PROPAGATION OF THE GOSPEL support *seventy six Missionaries*, and assist in the support of *one hundred and twenty six Catechists, Schoolmasters and Schoolmistresses*. They have also founded eighteen Scholarships for Divinity Students in the Universities at Windsor and Fredericton; and twelve Exhibitions at the Collegiate School at Windsor, to prepare for the Scholarships.

The pensions to aged and infirm Missionaries, and to the Widows of such Missionaries as die in the service of the Society have already been named. In all cases of particular distress, arising from protracted illness, or severe casualty, as loss by fire, or shipwreck, the Society have promptly assisted the suffering Missionary and sometimes, under peculiar circumstances, at considerable expence. They have also founded many valuable Mission Libraries, and continue to supply the Missionaries, when necessary, with Bibles, Prayer Books, and other appro-
