Road Rollers,

Some 15 years ago there was not a steam road roller manufactured in Canada. Hamilton wanted to purchase one. Ex-Mayor Colquioun Hamilton appointed members of his council to go south and look out for a suitable roller. They came back and recommended to council the Buffalo Pitts. When the report was read Mr. Colquhoun stated that if a Hamilton firm, or some other firm in the Do-minion of Canada, would manufacture these machines, he would be willing to give them the first order.
