These are particularly fine blue and black lay-overs made with Skinner's silk, warranted for two years. Pants have the black Italian waist-bands.

You might duplicate to order for \$38.00, but it's do butful.

CLOSING DAY AT RANGES 13TH WIN THE GZOWSKI

Team Results in Tait-Brassey Not Yet Known—Armstrong Wins Aggregate.

Long Branch Rifle Ranges, Aug. 24.—(Staff Special)—A young gale trocked on the ranges nearly all day of the last matches of the Ontario Rifle Association this year, but there was remarkable shooting considering the conditions. The Gzowski match, which was the last one, provided the spectacular feature. It is a skirmishing and quick-firing competition, covering nearly all distances on the ranges, and is named after the late Col. Sir Casimir Gzowski. The teams went in two relays and the result showed the 13th Regiment of Hamilton in front, with 44 points. The first team of the Grenadiers was next, followed by the Queen's Own and a tie between the Ottawa Foot Guards and the fifth team of the Grenadiers.

The militia aggregate goes to Corp. McGregor, G.G.B.G., 345 points, with Sergt. Armstrong next at 342.

The team prizes in the Tait-Brassey match will not be announced till today, as they are very close and the statistical officers had to go over them again.

The win of Capt. Elliott in the Tait-Brassey match today was a most popular one. His score of 39 of a possible 105 was a remarkable performance under the prevailing weather conditions. He was congratulated by Q.M.S. McVittie, who was next with 98.

Elliott's possible at 500 yards was splendid shooting in almost a gale. McVittie, like a true son of his father, was particularly prominent on the ranges today. Not only did he prove the runner-up at the Tait-Brassey competition, but he was one of the principals in an exciting shoot-off in the Duke of Cornwall and York match, and again figured in a tie with Sergt. Smith of Ottawa for the silver medal. Altho Smith won an superior quality of scoring, the result was still a tie. Sergt. P. Armstrong, R.G., was only one point short.

There were seven ties of 50 in the Sewing Machine Match of the extra series, but Staff-Sergt. Graham, 48th, had the best looking score, with Capt. Weatherbie close second.

Sergt. P. Armstrong, R.G., won the "all-comers aggregate" with a score of 353, and secures the O.R.A. silver medal. Staff-Sergt. Simpson won the Lord Tennyson match.
