SIR ADOLPHE REMAINS LOYAL

and

Wants the Government to Win-Favors
Remedial Legislation. Montreal, June 1. - (Special) - Sir Adolphe Caron, in his address to the electors of Dorchester, says: "As to the formation of the new Ministry I have nothing to say for the presen;. In face of the enemy, there is but one In face of the enemy, there is but one duty for the soldier, and that is to fight and conquer. I hope that our successors may finish the work that we began, and I will give them my most active support. I have attached my name to the cause of the Manitoba school question from the start, and God knows at what sacrifice and trouble, and I will remain in the front of the battle while that question remains unsettled."

Mr Laurier's Bonation.

La Patrie, in order to show that Hon. Mr. Laurier is not a traitor to the pavement is put down.

With reference to the proposal to construct a brick pavement on Robert street there was quite a lively discussion between Mr. W. M. Milligan and Mr. George Maguire (the latter being the person who circulated the petition for brick) in reference to the nethods adopted to obtain signatures. Mr. Milligan also complained that his chief objection to the pavement was that there is something wrong with the sewer, which has caved in several times during the last two years and should be fixed before the pavement is put down.

La Patrie, in order to show that Hon. Mr. Laurier is not a traitor to his race and religion, as alleged by the French Conservative press, publishes a list indicating that the Liberal leader has subscribed \$50 to purchase new bells for the Catholic church at St. Christophe. Mr. Lavergne, Mr. Laurier's partner, and the Liberal member for Drummond and Arthabaska, subscribed \$50 more.

The Liberals have not yet nominated a candidate in Bagot, Montcalm or St. Maurice, while the Conservatives have yet to toe the scratch in St. Eyacinthe St. John and Drummond and Arthabaska.

Hon. Mr. Taillon spoke in Jacques Cartier County on Saturday in support of Mr. Monk, whose chances of winning the county are excellent.

Major-Gen. Sir George Wolseley spent Sunday at Niagara Falls and enjoyed the trip very much. On his return yesterday he was waited upon by President W. Fahey and Vice-President George Musson and invited to attend the annual demonstration of the Veterans' 66 Association in the Queen's Park to-day. The Veterans of 66, with the Northwest Column and Army and Northwest Column and Army and Navy Veterans will leave the new Armories a little before 2 o'clock and connecting with the School Corps, will march to the monument. Major-Gen. Gascoigne and staff will accompany the parade. The 30th anniversary will doubtless be a great success.

Ald. Allen would be very sorry to see the street cleaning taken out of the Street Commissioner's hands.

Ald. Lamb moved that the offer of Messrs. Burns & McCormack be not entertained.

Ald. Gowanlock moved that the offer be sent on to Council.

Ald. Spence moved that a sub-committee composed of Ald. Gowanlock, Leslie, Allen, Preston and Crane investigate and report upon the matter. Ultimately Ald. Gowanlock withdrew his amendment and Ald. Wall Clearing

We are frank in saying that ordinarily the demand for wall papers in June would hardly be as heavy as in April and May. A good deal of house cleaning and renovating has been done, but not all. We are ambitious, however, to make June exceed May, and believe it can be done at the prices we quote. It is to be remembered that these quotations are not on old stock, for every roll of paper we show is this season's, bought since we entered the new store. Just see these prices:
