

### The Proper Derby

We've been hatting men since "64' and because of the good way in which we executed the task our business has grown to immense propertions. We built it up by an everlasting strenuous endeavor to give the public the most for their money both in style and quality. We start our list with Dunlap's specials-for which we are sole Canadian agents. And if you want a \$3 or a \$2 Derby, you'll find here the best you can get anywhere. Stere open to-night.

FUNERAL OF R. SHAW WOOD. Late President of East Middlesex

necessary repairs. Division Court vii be held in Markham on Thursday next. The Sovereign Bank building is being rapidly pushed forward, and will soon be ready for occupation. The receipts from the Ladies' Aid Bazaar, in connection with the Presbyterian Church, were \$135, which is rethe province. The cortege proceeded from the country seat to the Church of the Hosanna, Hyde Park, where the impressive service of the Church of England, was conducted by the Bishop of Huron, assisted by Rev. Dean Innes. The pall-bearers were chosen from the friends of the family. They were: Dr. Beattle-Neghtit, M.L.A. of Toronto, G. T. Lightborn of Buffalo, Col. Young, Dr. John D. Wilson, Campbell Becher and C. J. A. Lefroy of this city, The East Middleser Conservative Association, of which Mr. Shaw-Wood was the respected president for some years, and London Conservative Club, were well represented.

#### I.P.B.S. ELECTIONS.

The 22nd annual meeting of the Irish Protestant Benevoent Society was held last night. There was a large attendance of numbers. The chair was occupied by the president, T. D. Delamere, K.C. The reports of the various committees indicated the past year to be one of the most successful in the history of the society. Assistance was rendered to 260 individuals and the amount expended was \$1:221.64. During the Christmas season 117 families were aided.

The election of officers for the ensuing year resulted as follows: President, E. T. J. Cowie; team committee, William Forstward of Agriculture is co-oper.

### An Ideal

Combination Everybody knows that

Iron and Cod Liver Oil are the greatest system-builders known to medical science. Nearly everybody knows, too, that most people find it very difficult and sometimes impossible to take and digest Cod Liver Oil or Iron. This trouble is completely removed by the introduction of FERROL, which combines Iron with Cod Liver Oil and a modicum of Phosphorus in an emulsion pleasant to take and so easy to assimilate that infants digest it without difficulty.

skilled in the trapping of the muskrat, whose odor is objectionable, but whose jacket of close, soft fur is an article of commerce at present in great demand—so much so, that the by the rats in the course of their night excursions in quest of food or adventure, or material for another happy home, and if the little swimmer happens to touch a certain innocent looking twig the trap beneath the surface is sprung, and the chances are that the jaws close on one of the arimal's legs. Then is enacted one of nature's tragedies. The rat struggles until exhausted, and finally drowns.

Where Skill Counts.

Next morning the owner of the trap

Next morning the owner of the trap hikes along in his camoe, and ejaculating, "There's another!" casts the bedraggled bunch of fur on top of the pile in the bow of the boat—the fruits of his visit to forty or fifty traps—and heads for camp. During the day the pelts are stripped and stretched on cedar frames to dry and cure, and the skill and care displayed in the operation may mean the difference eration may mean the between the lowest and the top price when the buyer has his innings. Some years ago as many as 2500 nuskrat pelts were marketed in Lindchance to repopulate their old unts. This argument seems to be

borne out by the fact that last season several trappers worked East and West Cross Creeks and along the upper channel with such success that apparently it was considered useless to repeat the visit this spring, and with the exception of a few old days. to repeat the visit this spring, and with the exception of a few odd days, all the trapping this season was done below. McLaren's Creek and it is reported that some Indians had great luck for Emily Creek.

Taken in Numbers.

great demand—so much so, that the price has almost doubled in the last few years, says The Lindsay Post.

When the ice starts to break up the rising flood forces the muskrat families out of the snug houses in which they have spent the winter, and this is the hunter's opportunity. Traps are cunningly set near every submerged log and landing place likely to be visited by the rats in the course of their night excursions in quest of food or

The quantity of fur taken by local trappers as closely as can be ascertained, is as follows: Joe Hand and George Jackman, 315 rats, 2 mink and George Jackman, 315 rats, 2 mink and 2 raccoons: Les. Foley, 112 rats; F. Dennison, 53; Joe Lytle, 237; George and Dave Hudson, jr., and F. Reeves, jr., 367; Stafford Halpin, 38; Jack Dickson, 52; W. J. Britton, and F. Bushnell, 64. In addition to the above M. O'Leary, A. Bradshaw, and several Indians, including "Doy" Taylor and his father, made up a respectable total
