RHEUMATISM

CANNOT EXIST When the Kidneys Are Kept Healthy and Vigorous by Using Dr. C hase's Kidney-Liver Pills.

Most people know well enough that rheumatism comes from deranged kid-

They know that if the kidneys do not perform their work of filtering the uric acid from the blood that it will form into granules and lodge in the joints and muscles, causing the most excruciating pains.

But knowing will not cure, any more than will rubbing on liniment. Dr. Chase's Kidney-Liver Pills get at the cause of rheumatism and remove it.

Dr. Chase's Kidney-Liver Pills make the kidneys healthy and vigorous, and it is then impossible for rheumatism to

exist. You may be weary of experimenting with prescriptions and patent medi-cines, but you can use Dr. Chase's Kidney-Liver Pills with fullest assurance that you will be perfectly cured, just as thousands of others have been. One pill a dose, 25 cents a box, at all dealers, or Edmanson, Bates & Co.,

## TROUBLES

Reply of General Manager Hays to Chief Powell.

Prospect of a Strike Deplored and Arbitration Suggested.

[G. N. W. Special to Advertiser.] Montreal, Que., Dec. 23.-A letter has been sent by General Manager Hays to Grand Chief Powell in reply to the latter's communication of yesterday. Mr. Hays says: "I note your statement that by a practically unanimous vote the telegraphers have decided to strike if need be to enforce their demands. .

I note also the reasons upon which you state: 'The telegraphers on the G. T. R. system base their claim for shorter hours, more wages, and relief from menial duties.' cumerating these reasons, you apparently overlook the fact that this company has already reached an agreement with the committee, based (so far as the necessary discipline for the safe operation of trains and the bylaws of the company will permit) on similar arrangements, which you claim exist with other companies. Embraced in these rules are also regulatiins limiting the time of the men to twelve hours of duty. The commit-tee has also been offered a schedule of minimum wages, which make very considerable increases in the compenpensation, in addition to in es heretofore granted, in many ins the advent of the present management.
"There is no disposition on the part

of this management to treat its employes other than fairly, and to do everything consistent with the obligations to its shareholders, which the conditions will warrant. Should the committee be successful in their threat to bring about a strike if their demands are not complied with, it would necessarily disturb relations which have existed between the company and many of its old and faithful employed for years past. It would be the means of breaking up many happy and contented homes; might involve the com-pany in great financial loss; and, coming at this season of the year, cause much discomfort and inconvenience, and possible suffering to the public.

ARBITRATION PROPOSED. "All of these results it is desired to avert, if possible, and since the practice of arbitrating matters of difference between corporations and their employes is one which seems to meet public favor, I suggest that if the commit-tee etill decline to accept the very fair terms offered them by the company, that the questions of difference between us as to hours and rates of pay shall be referred either to the railway committee of the privy council—a body created purposely for the supervision and regulation of railway matters-or be determined in the matter usually adopted for arbitration, i. e., the committee to select one person, the com-pany a second, and the two so chosen, if unable to agree, to select a third, the decision of two of the three to be binding on both parties. Please reply. truly, (Signed) CHAS. M. HAYS, "General manager."

Out of the Seventy-Three General Election Protests.

Conservatives Throw Up the Sponge in West York.

[G. N. W. Special to The Advertiser.] Toronto, Ont., Dec. 23.-The election petition in North Grey, and the two Ottawas were dismissed this morning. The respondents are George M. Boyd. Conservative, for North Grey, and M. Lumsden, Liberal, and M. Powell, Con-

servative, for Ottawa.

Of the 73 protests arising out of the provincial election of last March but one remains on the lists-East Elgin. Judgment in that case will be given Dec. 27. There is a protest and crossprotest in South Ontario arising out of the bye-elections.

The Conservatives threw up the sponge in the West York election trial this morning after 14 days' effort to unseat Mr. Hill.

## SUNDAY CHRISTMAS

An Omen of Luck-Bright Outlook for 1899.

Christmas on Sunday - that's for luck! And you're mighty lucky nowadays to be able, without an effort, to crop on to the very thing your good friend has been sort of hankering after all through this jolly give-and-take season. Found it yet? Of course, you know we have it. It's a lovely, graceful, living and growing Palm-that's what your good friends is longing for. But tastes differ, and perhaps some would prefer one of those grandly-decorative dracenas, a pandanus, a rubber plant or a dainty pot of ferns. Perhaps flowering plants are the choicewe have them in unlimited quantities and varieties. A unique Japanese jardiniere, containing a beautiful Cocos Palm, at a half-dollar, is a heart-pleaser. Cut flowers are in great demand, and we have a grand lot of those favorite roses, carnations, violets, Roman hyacinths, etc. We can add enjoyment to your Christmas and to your friend's Christmas-that's what we're here for. By special request we will have store open all day Monday, but don't wait till the last moment-we want you to be satisfied and pleased. Gammage & Sons, Dundas and Clarence streets.

Kingston is no less famous as the scene of many of the most wonderful and startling cures by Dodd's Kidney Pills, than for the first named reason. Now another is added to this long list of cures. Mr. Robert Orr, Pine street, reports that after suffering for years with Bladder Trouble, Dodd's Kidney Pills completely cured him, though all other remedies had failed. Every city has a similar experience. Dodd's Kidney Pills have cured every time.

Dr. Parmelee's Vegetable Pills are wonderful correctives of such troubles. They correct acidity, open the secretions and convey the food partaken of into healthy nutriment. They are just the medicine to take if troubled with indigestion.
