To Discard Freckles,

Tan, Pimples, Wrinkles It is said that creams containing aninal grease cause hair to grow. You run no risk of acquiring superfluous hair from using ordinary mercolized wax. There is nothing better for a discolored skin, as the wax actually absorbs the offensive cuticle. The latter is naturaloffensive cuticle. The latter is naturally replaced by a clear, smooth, healthy complexion, full of life and expression. It's the sensible way to discard a freckled, tanned, over-red, blotchy or pimpled skin. Get an ounce of mercolized wax at any druggist's and apply nightly like cold cream, erasing in the morning with soap and water. Soon you will observe a most remarkable transformation.

of Ages Now Revealed? Kotalko, a True Hair Elixir

Brittain got hold of the secret by right of purchase. "Kotalko" is the name by which the elixir is known. Although almost entirely bald, hair came in prolific growth on Mr. Brittain's head after applying Kotalko and this hair growth never lessened. Legions of others, men, women and children, have had scalp and hair benefit through KOTALKO. Many have reported new have had scalp and hair benefit through KOTALKO. Many have reported new growths of hair after baldness of years. Many have reported that their hair stopped falling out. Many have reported scalp dandruff eradicated completely by Kotalko. You see, there is a chance for you to test the efficacy of Kotalko. Your aim, like that of every other ambitious, self-respecting person, is

Luxuriant HAIR for You

The principle and the Kotalice formula is a compound from the Three Kingdoms of Nature. Apply Kotalko gently to the scalp and to whatever hair is still left. Watch in your mirror!

What Kotalko can do for overcoming the thinning, splitting loss or combing-out of hair, also fer dendrum and baldness, has been evidenced in legions of voluntary testimonials.

William Shaw testified: "I had a bald spot over 12 years that has become covered by using Kotalko Mary Ferriera: "My hair had fallen out when I began to use Kotalko. Then the hair grew again." Afre E. H. Flary: "My head was as bare as the bottom of my toot. Since using Kotalko there has come a side thick growth of hair." Louise A. Garey: "After using Kotalko, my hair is much thicker and longer than it was." Many—very many—other testimonials—some lengthy, are available for YOU to read. Let us send you some sheets of them; look for cases like your own.

Doctor's Praise of Kotalko Dr. W. R. Richardson stated: "For fifteen years I had a gradually increasing hald spot due to scalp disorder for which I used many remedies without benefit. Then hearing of what Kotalko was doing for others, I used it. The scalp trouble is gone and hair is growing over the bald spot. I owe it all to Kotalko." This proparation is not a sweet accented liquid, nor a soany shampoo, nor anything in the "dainty" class.
