THREE FLY FROM FIRE.

Women Make Hasty Exit at Early Morning Blaze,

Three young women were forced by fire to a hasty exit from their rooms on the ground floor behind Miss Lillian Glenny's confectionery store, 338 Engineer of engines..... West Queen-street, at 4.25 yesterday Assistant engineers of

ing orders for coal for certain compa-nies have been representing that they are selling our coal, and we wish to draw the attention of the public to the fact that there is no company in Toronto selling any of our coal but ourselves, and we hereby offer a large reward to any person producing evidence that will convict parties offering our coal for sale without proper credentials. We are the only company in Canada that mine their own coal, and no one can buy our coal except thru ourselves. It is customary for small dealers in Toronto to buy their supplies from the large companies, but as one of the large companies it is draw the attention of the public to the as one of the large companies it is different with us; we mine our own coal but do not retail it in Toronto except thru our own yards. Our coal has a great reputation wherever used, and we do not want to have this reputation destroyed by parties offering an in-ferior coal and representing it to be ours. The fact that we hold a large majority of the biggest contracts in
