Nobody turned up at the Emergency Hospital yesterday who could throw any light on the identity of the man who was killed near the Strachan-avenue crossing on Sunday night. Coroner Spence opened an inquest last evening and the jury, after hearing the evidence of several witnesses, returned a verdict of accidental death. Those who testified were: datekeeper Alfred Downs, Engineer James Jones, 16 Leonardavenue; Fireman William S, Cole, 108 Denison-2-zenue; Dr. Eadle and Dr. A. D. Stewart. The railway officials claimed the train was going at the rate of 9 or 10 miles an hour and that the deceased had plenty of warning before being struck. From the stains on his boots, the appearance of his hands and the cut on the left forefinger, the physician believed that the deceased was a Cattle Market employe.

MR. DUMAS GETS IN AGAIN.

Resolution Suspending the Ex-President of the Conservative Club Has Been Rescinded. Just as the Toronto Conservative Club vas about to adjourn last night, after a successful meeting, Mr. Napier Robinson introduced a motion which caused a lot trouble. It was to the effect that Mr. E. President D'Arcy Hinds ruled the motion out of order, but his action was not sustained, and Mr. Dumas will once flore enjoy the privileges of the club. On the suggestion of Col. Beicher, a committee was appointed to wait on Mayor Macdonaid and ask that a public meeting of citzens be held to give expression to the sentiments of the people on the Transvaal war.
