The colonial office seems to regard its minor wars as purely private adventures which are no concern of the public, as was shown during the great war by a speech delivered by Lord Harcourt. The same reticence has been maintained by the war office in regard to small expeditions in Kurdistan and elsewhere. No one expects the premature revelation of intended operations, but the various departments which take field on their own account should understand that no more secret wars, however small. will be tolerated. The moment issue is joined, the public, who have to pay, and parliament, which is ultimately liable to be called to account, have a right to know

what is going on. When The Times rebukes a department in this way it is appropriate to estimate at its true significance what happens within our own gates.

### The Scope of Propriety.

The debate on the address has always been regarded as a free-for-all. In a free parliament it could be nothing else. The Speaker's attempt to rule the tariff out of it because the budget will deal with that question, has properly been put where it be-

## THE GIRL WHO SMILED THRU

By MARION RUBINCAM

A MOTHERLY TALK. CHAPTER 27.

It was long after 9-a late enough hour in Farmington—when Alice heard a horse and carriage draw up at the gate, and Lois' sweet high voice ask-first time the sternness which that old

ing David to come in.
So it was Lois nowadays who asked David to come in! Alice jumped the up from the floor. If he did come, it "My dear," she said, simply, "do you would never do for him to see her in think you're acting honorably? You this condition. Alice did not look pretty when she cried. Her nose grew shiny, her hair became disordered, and her eyes looked red and swollen.

"No, thanks," she heard David's voice answering. "It's getting late, and the house is dark, so I think Alice is either out or has gone to bed."

"Well, good night." Davey boy, and "Well, good night." Davey boy, and accident." Mrs. Fairbanks stressed the

"Well, good night," Davey boy, and thanks for a lovely afternoon." Alice "if," and Lois turned red and was wondered whether Lois deliberately silent. raised her voice so it could carry into

need not see Lois right away. She forced her voice to a cheerful tone.

very obvious signs of the storm she had been recently thru, so she slipped out of the dark room and down to the batkroom—the one luxury in the little house—and hurriedly washed her face and combed her hair. She even returned to her room for the rarely opened box of face powder, and tried to use it to hide the effects of her tears.

The ready tears came at once, but this time they did not melt Mrs. Fairbanks' feelings as they had before. She sat propped up among her pillows, the gentle face drawn into hard lines, her gray eyes cold as stones. Her gray white hair was plaited in a loose braid down her back. Somehow, she was much more impressive this way than Then she ran down to make tea and

the one mirror in the living-room.
"Did you get my message?" she asked, sweetly. "I ran into David quite Lois asked, viciously." ed, sweetly. "I ran into David quite by accident. He was going to the farm, and asked me along. I knew you were too busy to go, dear. He was delayed and we had supper there."

Was delayed and we had supper there."

Will you promise me to show a little was delayed and we had supper there."

"Yes, I had the message. Mother wants you to light the lamp for her, I think." Try as she would, Alice could not make her tones casual. A glimpse of Lois in the mirror showed the little smile of pleasure and tri-

umph on that young lady's face. But all she said was: "Poor, dear auntie. I'll go right away, and read to her,
