ANNNOYING SYMPTOMS
How Heat Flashes, Dizzy
Spells and other Bad Feel-
ings at Change of Life
may be Relieved.

Richmond, Va.—"After taking
seven bottles of Lydia E. Pinkham's
Vegetable Compound I feel like a
new woman. I always had a headache
during the change of life and was also
troubled with other bad feelings com-
mon at that time—dizzy spells, nervous
feelings and heat flashes. Now I am
in better health than I ever was and recom-
mend my remedies to all my friends."—Mrs. LENA
WYNN, 2312 E. O Street, Richmond, Va.

While Change of Life is a most crit-
ical period of a woman's existence, the
annoying symptoms which accompany
it may be controlled, and normal health
restored by the timely use of Lydia E.
Pinkham's Vegetable Compound.

Such warning symptoms are a sense
of suffocation, hot flashes, headaches,
backaches, dizziness, nervousness,
dizziness, sounds in the ears, palpitation
of the heart, sparks before the eyes,
irregularities, constipation, variable ap-
petite, weakness and dizziness.
