

BAPTIST WOMEN SAY LIQUOR ACT BEING ENFORCED

The closing sessions of the quarterly meeting of the executive of the United Baptist Women's Missionary Union of the Maritime Provinces were held yesterday and business preliminary to the annual convention in the last week in

August was completed. Mrs. W. G. Clarke, of Fredericton, president, was in the chair. At the closing session the following resolution was passed: "The executive of the U. B. W. M. U. representing the United Baptist women of the Maritime Provinces, notes with thankfulness the efforts now being made to enforce our Prohibitory Law and we further urge upon our legislators and all officers responsible, a strict enforcement of the law."

AFTERNOON SESSION.

In the afternoon consideration was given the placing of home mission workers. A committee was appointed to draft a letter to be sent to district and county meetings to have reference to women

workers, available to assist in evangelistic endeavors in rural districts. The mission band supply committee's recommendation that 2,000 new mission band boxes be purchased was approved. Miss Wilson, who has returned from six years of mission work in Bolivia, has written a pageant depicting life in that country and a committee was appointed to arrange for the publication of this pageant.

At the closing evening session the provincial secretaries gave their reports as follows: New Brunswick, Miss Augusta Slippy; Nova Scotia, Miss Lockhart; Prince Edward Island, Mrs. Gilden. Arrangements were made for missionary representatives to attend the district and association meetings which will take place in June. Miss Bessie Lockhart was appointed to attend the Nova Scotia annual meeting and Miss Grace Baker was appointed to attend the New Brunswick meeting.

Mrs. W. C. Cross submitted a draft report for the convention program. Rev. Mr. Orchard, secretary of western missions, is to address the convention on the missionary work in the Western Provinces. Mission band and guild work will be specially featured in pageants at the convention. Mrs. H. H. Coleman, of Moncton, spoke of the necessity of keeping the temperance question before the public and it was decided to have a speaker on temperance and prohibition address the convention.

PRESBYTERIAL TO MEET HERE TUESDAY

The inauguration of the Saint John Presbyterian Women's Missionary Society of the United Church of Canada is to take place in Saint John next week, when the missionary societies of the former Presbyterian, Methodist and Congregational churches in this district, which have entered church union, are to be amalgamated in one body. The program for the meeting has been prepared by an interim committee composed of Mrs. John Mowat, Mrs. George Baskin and Miss Vessey, of St. Stephen, and Mrs. T. H. Sommerville, of Saint John. The sessions will be held in the Portland United church, opening on Tuesday evening and concluding on Wednesday afternoon. Delegates from all sections of the district are expected to be in attendance and will be entertained in city homes. Mrs. Mowat, of St. Stephen, will be unable to attend because of ill health, and this fact is much regretted.

Prominent Writer To Spend 5 Years Here

Bonnydale Dale, his assistant, "Laddie" and their Airedale, "Dash," came to town yesterday in their tourist sleeping motor car and left for Fredericton after a short stay. Mr. Dale, who is widely known as a writer on outdoor life in Canada, proposes to reside in New Brunswick for five years for the purpose of studying the topography, wild animals and game birds and fish of the province, with the object of writing an authentic book for the information of tourists and others interested in the great outdoors. Mr. Dale has been in Nova Scotia for seven years. While there he wrote a book on the attractions of that province, and took over 1,000 photographs of living birds, animals and fish. He has contributed to many publications, including magazines devoted to life outdoors, and dailies in several cities.

While in Fredericton Mr. Dale will confer with the Department of Lands and Mines regarding forest laws, fish and game laws, and will ask permission to enter the woods at any time.
