AUTO OVER BANK

Rev. R. J. Coleman, rector of St. John's Anglican church, Dalhousie, and Miss Dawson, of the same place, were injured yesterday when an automobile in which they were driving backed over an embankment. Both are patients at the Soldiers' Memorial Hospital at Campbellton.

AUTOS COLLIDE

Parking of automobiles on each side of Sydney street near the Court House, leaving only a narrow space for two cars to pass, is believed to be the cause of a collision about 8:20 o'clock last evening.

ring at the corner of King street East and Sydney street, between a Ford car, No. 11,785, said to have been driven by a young man from Erin street, and car No. 6, D. 20-23, of New York. The former received a broken mudguard and fender, while the New York car had a hub cap torn off.

The Baptist church at Albert, Albert county, was filled to capacity on Sunday at a church service held by the Masonic fraternity of that county. The sermon was preached by Rev. C. Don't Squeeze Blackheads—Dissolve Them
Squeezing and pinching out blackheads make the pores large and cause irritation. Blackheads are caused by accumulations of dust and dirt and secretions from the skin, and there is only one safe and sure way and one that never fails to get rid of them—a simple way, too—that is to dissolve them. Just get from any drug store about two ounces of porifera powder—sprinkle a little on a hot, moist face, and the blackheads will be bristly for a few seconds—wash off, and blackheads have disappeared, and the skin will be left smooth and the pores in their natural condition.

POLICE FINDS
The articles reported at police headquarters as picked up yesterday follow: Pocket book containing a small sum of money and ferry tickets picked up on bench on the western side of King square; a man's leather gauntlet glove on Prince William street; a pair of ladies' gloves on King street; and a 24-pound bag of flour on Bond street. The owners of these articles can receive the same on application at police headquarters day or night.

Mrs. George Gregory, who has been visiting her mother, Mrs. M. Donovan, West Saint John, returned to New York on Saturday.

At the Races

This very attractive frock seen at the races in Paris takes striped material in red and blue and works with it until its own manufacturer wouldn't recognize it. Pointed bands of navy blue chiffon, accent the blue and finish the frock. The sleeves with their voluminous ruffles are very smart indeed.
