

## BUSY TIMES AT ST. JOHN Y.M.C.A.

Gymnasium and Other Activities Go With Swing—Community Centre.

That the Y. M. C. A. is a busy place was borne in upon a visitor yesterday. At four o'clock there was an excellent turn-out of High School boys at their gym. class. The boys' game room at the same time were thronged with scores of boys.

Last evening, at seven o'clock, the Business Boys' Gym. had a record crowd; the Young Men's Class, which followed, was equally enthusiastic. While these classes were going on, the swimming pool drew enthusiastic swimmers. The bowling alleys were going full force, looking especially good after being thoroughly repaired. The billiard room, with its newly covered tables, held the attention of another group of young men.

One is also impressed on entering the building with its attractive lobby, now made more home-like and pleasant by the recent gifts of the Y. M. C. A. Ladies' Auxiliary.

While all this was going on, in another part of the building a meeting of the St. John Boys' Work Board was being held, while in another the City Baseball League was holding a wind-up meeting.

Truly, indeed, said a visitor, the "Y" is a splendid community centre, making a really great contribution to the Christian citizenship of the city, and is proving well worth the time, effort and money being invested in it.
