## A WORD FROM MR. STILLMAN

Brought here by Mr. Selig to conduct this great money-saving event. I'm going to show you people what real "Price Wrecking" is when it really has to be done. I am here to sell the goods and sell them I will! Nothing can stop me. I've forced prices down so low that you'll be sorry when the sale is over. Mr. Selig will back up everything I do and say here. I'll forget all costs and ignore profits in my "grim" determination to make this sale the "talk of the town" for months to come. You'll remember me for bargains. "Watch my smoke."

MR. STILLMAN.
