Clothes Count

The day has passed when men of affairs can afford to be careless about their personal appearance.

The modern business or professional man gives the same thoughtful care to the purchase of his clothes as to any other piece of equipment for his vocation.

You can simplify this selection by consulting Gil-mour's and looking over the extensive line of cloths for custom tailored suits, or the select stock of ready-tailored clothes.

The Winners

Wasson's Jackie Coogan drawing contest brought out a great display of youthful talent. It was with difficulty that Miss Holt awarded first prize to Edward L. Sage and second prize to Reid Dowling. The Value of Time

By Krónos

Painting by HAROLD DELAY

CROSS THE ALPS rode Hannibal, thirsting for the blood of Rome.

History holds no more breathless adventure. Hatred of Rome was this African warrior's earliest heritage. A century after Alexander flashed across the page of Time, young Hannibal—not yet in his teens—swore undying vengeance against the foe of Carthage.

At twenty-eight he was acclaimed commander of the Carthaginian army in Spain. Like a thunderbolt he struck. Instead of following direct to 68 cents; sizes 8 to 10½, 78 cents, and sizes 11 to 12, 88 cents. As such remarkably low prices are sure to result in rapid sales, intending purchasers should be early on hand at the Union street store of Waterbury & Rising, Ltd. 7-6.

Without maps, without guides, he flung himself boldly into the impassable unknown. His superb cavalry, his great herd of elephants, struck terror into the swarming mountain borders. Nothing could stop him. He knew the power of preparedness, the strength of surprise. He knew the Value of Time. "Beyond the Alps lies Italy!" he thundered—and the world's proudest empire staggered under his sledge hammer blows.

The blood-soaked pages of Hannibal's bitter vendetta are covered with dust. Rome is but a memory. Yet the Value of Time so vividly seen by Confucius, Plato, Alexander, Hannibal—by all makers of history—is impressed more sharply on the race with every passing century.

"Time is the stuff life is made of." "Who wastes Time, wastes life!" These hard-learned lessons of ages past are reflected in the earnestness with which the history makers of our own day guard life's most costly commodity—Time!

May we have a word, please?

Clothing sales have been so numerous as to almost completely bewilder the would-be purchaser.

We'd like a moment of your time, please, to have our little say—to explain why THIS is a good place and NOW a good time to purchase clothes.

We've taken many suits from regular stock and sharply reduced them to prices which in most cases are considerably below wholesale cost. We consider it good business practice to clean up our stock at the end of every season.

The clothing involved is 20th Century Brand and other good makes. This bespeaks workmanship of a high order. There are not only strictly Summer suits but also those fine for all the year round.

We unhesitatingly recommend this sale as a good clothes buying opportunity.

Men's and Young Men's Regular and Sport Suits now, \$20 and \$25. Other prices \$17.50, \$30 to \$40.

Spring and Fall Overcoats. A number bunched at \$20; other prices \$10, \$15, \$17.50. Dark grey, cheviot overcoats, regular \$30, included in the Sale at \$25. Sizes 34 to 46.

BETTER THAN HARD COAL

Soft coal so free from soot that it does not make whiskers on stove covers or pipes and does not mat or cake when burning, is far better than Hard Coal for general household use. Quicker to light, takes less to make a fire, cheaper in price and can also be used for open fires and small heating stoves. Such a coal is Broad Cove soft coal. The main thing is to insist on getting the genuine article. No other soft coal burns just like Broad Cove. You will know it by the above characteristics. 1f.
