PREMIER ARMSTRONG.

Premier E. H. Armstrong was recently elected to fill the post of Premier Murray of Nova Scotia, who retired after a service of twenty-seven years.

Unfailing protection against winter chills

Thermogene provides you with the simplest, most effective way of relieving winter ailments. You simply take this soft, fleshy, medicated wadding from the familiar orange-coloured box, and apply it to the skin over the affected part.

Thermogene acts promptly upon the circulation, dispersing the congestion which is responsible for your pain, and finally giving complete relief.

Thermogene may be worn day and night without the least inconvenience. It gives you a delightful sense of warmth and comfort, and of protection against chill and dampness.

When you need Thermogene, you need it urgently, so never be without it.

THERMOGENE

Is BRITISH OWNED and BRITISH MADE By The Thermogene Company Ltd., Hayward Heath, England.

Sole Agents for Canada: HAROLD F. RITCHIE & CO. Limited, 10 McCaul Street, Toronto.
