Memo. Deputy Minister.

Renewal of timber license No. 224 (Katit)  
Pacific Mills Ltd.

Pacific Mills Ltd. have submitted an affidavit stating they are still the owners of the above license but have not yet commenced operations. They have undertaken however, preliminary engineering logging work, and as they have paid the current rental and renewal fee I would recommend that renewal be granted.

Herewith such renewal in duplicate, submitted for signature.

*License sent to agent to note & transmit JPS May 9*
