PROSPPOTUS FOR 1875-EIGHTH YEAR.

THE ALDINE,

THE ART JOURNAL OF AMERICA. ISSUED MONTHLY.

A. MAGNIFICENT CONCEPTION, WONDER-

The necessity of a popular medium for the Sir John I. M. Lawrence, Bart, G. C. B. & K. S. representation of the productions of our great artists, has always been recognized, and many CAPITAL - 10,0000,000 Pollars.

Attempts have been made to meet the want. (WITH LARGE ACCUMINATIONS.) The ence-ssive failures which so invariably allowed each attempt in this country to establish an art journal, did not preve the moduler ence of the people of America to the claims of high art. Dr. A. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is atmost daily asked, "What is the cause-of the unparalleled success of Vineau Brittens?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounted porsessing the reparkable qualities of Vineau Birtens in healing the sich of every disease man is heir to. They are a gentle Purgative as well as a Tonde relieving Congession or Inflammation of the Liver and Visceral Organs, in Bilioss Diseases.
