

THE EVENING GAZETTE published every evening except on Sundays and public holidays. The office is at No. 102, Water Street, Saint John, N. B.

REPUBLICAN DELEGATION TO THE HOUSE OF REPRESENTATIVES. The Republican delegation to the House of Representatives in the last Congress, has returned only a single Republican to the present one in Ontario for the future of the party in that state, under a great effort to make it stand the test, which has been when landing on the Isle of Orleans.

THE AUSTRALIAN DEBTS. Some time ago we called the attention of our readers to the debt of the Australian colonies, which are now being repaid by the Government of Canada. We then stated that the debt of the colony of Victoria, with the population of perhaps 1,000,000 persons, amounted in round numbers to \$20,000,000.

DR. BEERS' SPEECH. A little more than three years ago, soon after the publication of the Gazette, commenced, we published a speech which was made by Dr. Beers of Montreal at Syracuse, in the state of New York. This speech attracted a great deal of attention throughout Canada, because of its patriotic character.

NOTE AND COMMENT. The Globe in a notice of Mr. Mary Eastwell's letter to the editor of the Fort St. John, which has been published in book form, calls attention to the fact that it is dedicated to two Academies of the present day, Dr. John George Stewart and Dr. George Stewart who are called "naive of Nova Scotia."

THE EGGS AND POULTRY TRADE. One of the most interesting statements made by the minister of finance, in his Perth speech, was that in reference to the growth of our egg and poultry trade with the United Kingdom there can be no doubt that it is a very important source of revenue to the Dominion.

HOW WAS AND HOW BEING. Continued from first page. When men are free, then and mistakes should arise; that natural and religious should arise; that the liberal elements of the nation and one should thrive, after as they did in the past, on the trifling contents of the people and the treasury and one article of their own personal character.

THE REPUBLICAN CONVENTION. The national Republican convention is to be held this year at Minneapolis notwithstanding the efforts that were made by the Republicans of New York to take the convention to that city. This would seem to show that the Republican managers think it is more important to make the West solid, than to attempt the almost hopeless task of winning New York. Few things are more certain than that at the next presidential election a year hence, New York and apparently recognize that fact and are seeking to make up in the West any losses they may sustain in the Middle States.

As the Canadian hoodlums of Louis XV, were content that the colony should be left to its own devices, so the hoodlums of the present day are content that the colony should be left to its own devices. POPULAR 20TH CENTURY STORE, 12 Charlotte Street. GREAT PROPOSITION. THE EVENING GAZETTE AND THE ENCYCLOPEDIA BRITANNICA REVISED and AMENDED.

A Word to Ministers. Our Ministers find it necessary to purchase many books, but very few of them find that they can afford to pay from \$150 to \$200 for an expensive Encyclopaedia. This is a progressive age. The Gazette offers the "Encyclopaedia Britannica, Revised and Amended," which is acknowledged to be the very best work ever published, in connection with a year's subscription to the paper for the small sum of 50 cents per week for one year.

A Word to Lawyers. Now is the opportunity to make the valuable addition to your library that you have long been contemplating. The Encyclopaedia Britannica, Revised and Amended is a necessity to every lawyer. Questions are coming up every day which make an Encyclopaedia indispensable to you. Fifty cents per week for one year will purchase this mammoth publication and you get a yearly subscription to one of the best papers in the Dominion, in the bargain.

A Word to Medical Men. Doctor you may have your shelves filled with Medical books, but your library is incomplete without the Encyclopaedia Britannica, Revised and Amended. Do not think because you have got along so far without an Encyclopaedia that you can continue to do so, and can borrow of your neighbor or put off getting the information that you require until some future day. As you know, this great publication treats of every conceivable subject, and you should lose no time in getting possession of it. Fifty cents a week for one year will make you the owner of the work and give you a first-class newspaper for a year besides.

A Word to Teachers. Ten years ago not one teacher in five hundred had an Encyclopaedia. Today there is hardly one in five hundred, but that other own an Encyclopaedia or has access to one. Free Libraries and Mechanical Institutes have accomplished great things for the teachers and others in this Dominion, but the time has now come when teachers require books for every day use. The Gazette offers teachers a chance to get a library of their own in one great publication, viz., the Encyclopaedia Britannica, Revised and Amended. The information contained in this colossal work represents the careful labor of over 1,000 of the ablest writers of the nineteenth century and is complete up to 1891. Fifty cents per week for one year makes you the happy possessor of this vast storehouse of knowledge.

GOOD LIVE AGENTS WANTED. This great proposition will not last long and you should take advantage of it at once. The books can be seen at The Gazette Office, St. John, N. B.
