mons, at the Court House Thursday the candidates and their principal supafternoon, and the addresses made poters. There was no reason why this leave bitter feeling behind.

They had already been in this congreat receptions that had greeted Mr. Borden from one end of the dominion candidates were the first to be filed, W. to the other. Such ovations were generally reserved for the leader of a government party. The reason was plain. Mr. Borden was not only a

strong and clean man, but he stood for a policy which meant keeping for the people the transportation faeilities of the country, and not handing them over to the G. T. R. Company. This

company had already failed to keep its agreements with the I. C. R. The government was now prosecuting the company for failing to keep its agreements. There was nothing in the history of the G. T. R. to show that it would keep its agreements, or that it would

In February last the cause of the government had been very ably put by his friend, Mr. McKeown, but in spite of that the constituency had given an answer strongly condemning the govby reached him he was dead. Deceased was about 76 years of age. R. Stone, Philip Grannan, William answer strongly condemning the gov-ernment policy. If such an answer were given then, what would be the altered since then, and every alteration made it worse for the people and better for the company?

but no matter what influence any government or corporation brought to bear, always would make itself felt. (Applause.)

DR. STOCKTON.

When Dr. Stockton came forward he was greeted with tumultuous cheers and applause, which continued for Many hundreds of other voters whose some time. He gave the audience names cannot be published in this is- something to cheer about later on, too.
