Don't you think it would mean a great convenience and enonomy to you when you would do all your shopping right there? Just so, and that is exactly what we are offering you now by prepaying the Freight or Express Charges to all railway stations east of Toronto-in Ontario, Quebec and Maritime Provinces, and as far west as Winnipeg, on \$25.00 worth of goods ordered

CHICAGO, Oct. 6.-Dr. Oliver Hart, a young physician residing in the suburbs of Rogers Park, is in the custody of the police pending further investigation of the death of Irene Klo-kow, 10 years old, which occurred yesterday in the residence of the physi-

The girl died in a bedroom of the Hart residence, in which she and the physician had been located for several hours. It is the opinion of the authorities, based on the facts disclosed at the inquest held today, that the girl was maltreated and then poisoned in an attempt to conceal the crime. After finding that it was impossible for the child to recover, the physician swal-

lowed morphine, and lay in an unconscious condition all of last night and during the greater part of the day. Late this afternoon he partially recovered and was brought to the city and

from the Illinois Industrial Home for Girls by Dr. Hart and his wife, who desired a girl who could serve in a neasure as a companion for Mrs. Hart, who is but 17 years of age, and at the same time do light work about the

THE STORY OF A DROPPED "H."

A brother artist tells the following story in some "Associate Reminiscen ces" concerning Mr. Charles Whymper Mr. Whymper visited a gentleman at Highgate on one occasion, and took the eldest daughter in to dinner.

He was talking about the scenes when suddenly she said: "I think I get prettler every day, don't you?" "I beg your pardon; what did you
