

About Your Own Vigor Sent Free to Men

MR. READER:

Here is something I have to offer you absolutely for nothing—a little private book of special information about the legitimate uses and unnatural abuses of manly vigor; about the preservation of manly strength and its possible self-restoration; an illustrated pocket compendium of 8,000 words, 72 pages and 30 half-tone photographs and reproductions which I am very pleased to send by mail, absolutely free of charge, in a plain sealed envelope, to any man, young or elderly, single or married, who writes for it.

Manhood Wins in All Walks of Life

Over a million of these books have been sent to applicants all over the world since my first offer first appeared. Publishers are charging as much as \$2 for books on sex subjects, while my book is free. Therefore, reader, if you would like a great fund of inside information relating directly to the subject of manly vigor, all put in perfectly plain, easy-to-read language, with many hints that you can surely apply to your own self no matter how strong you may be, or how nervous or rundown you may be—if you want to know the facts about this particular subject, given to you without a single scare, then fill in the coupon below, send to me and receive my book, sealed, by return mail. In one part of this little publication I describe a mechanical invention of my own, which I call the SANDEN Vitalizer, something you wear at night as an aid to the restoration of lost or waning strength; but you are not expected to get one of these appliances unless you decide for yourself that you want one. The book is complete, and there is absolutely nothing you are required to buy or pay, either now or in the future. Therefore, please send your name and address today. SANDEN, Author.

MANHOOD: The quality which rules the world today. My friend there never was a time in the history of the human race when real, sturdy manhood, manly vigor and manly courage counted for as much as they do now, this very minute. No matter what your years, whether you be 20 or 60, you must be either entirely in the race or entirely out of it. It is invariably the fellow who proves up the strongest in this human struggle that forges to the front, while weaklings stand aside; it is he also who is in most demand and most sought after by women and

TWO DIVORCES ARE GRANTED

George A. Merrill and Margaret M. Gerow Freed—Albert Co. Suit Thrown Out of Court.

Fredericton, Feb. 8.—In the Divorce Court, Judge Crockett, today granted decrees of absolute divorce in the suits of George Allen Merrill vs. Estor Lillian Merrill and Margaret M. Gerow vs. Burton L. Gerow, and gave a decision concerning costs in the suit of Harry T. Ward vs. Ward, in which divorce was previously refused. The judgment was that costs shall be taxed by the registrar as between party and party, and there shall be taken from the bill all amounts paid by way of suit money, and that the balance be paid to the defendant's proctor within twenty days of taxation.

The suit of Hawkes vs. Hawkes came from Albert county, A. T. Goodwin, of Moncton, proctor, in refusing to grant divorce the court stated that it was clear that the plaintiff had abandoned and deserted his wife, and that he was not entitled to the plaintiff's evidence concerning the desertion by the wife and that the conduct of plaintiff was such that it was the duty of the court to grant the divorce. The plaintiff's proctor was not entitled to relief at the hands of the court.

THE STARTING POINT OF CONSUMPTION

Lies in Weak, Watery Blood—Dr. Williams' Pink Pills Make the Blood Rich, Red and Pure.

Weak, watery blood is the starting point of consumption. When your blood is in this condition your whole health declines. Your face becomes pale or sallow, your appetite fails, your heart jumps and flutters at the least exertion or excitement. You are always weak and wretched and you lose interest in both work and amusement. This is the point from which you may easily step into that hopelessness and the grave. What is needed to bring back health, strength and energy is the new, rich red blood Dr. Williams' Pink Pills actually make. In all the world of medicine there is no other tonic and blood builder like them, and all who feel weak, run-down or easily tired should lose no time in giving these pills a fair trial. They have transformed thousands of weak, pale, nervous, and wretched people into strong, robust people. In proof of these statements may be given the experience of Mrs. T. Brennen, Charlton, Ont., who says: "Not only myself, but my friends think that had it not been for Dr. Williams' Pink Pills I would have filled a consumptive's grave. My condition was most serious; my blood seemed literally to have turned water; I was as pale as a sheet and became utterly unable to do any household or go about. I doctor-ed steadily for a long time, was growing weaker, and finally the doctor held out but little hope for my recovery. It was thought that a trip might help me and I was taken to New Ontario. Those doctors said that my way did not think I would reach my journey's end alive. After I reached my destination a friend strongly urged me to try Dr. Williams' Pink Pills, and as of course I was anxious to regain health I did so. The pills were the first medicine I had taken which seemed to help me at all, and it was not long until I felt they were doing me good. I continued their use gladly, and began to feel hungry and soon after was able to move about the house. Next I was able to get out of doors and to help in the household, and from that time on my progress was rapid, and in the end I was enjoying better health than I had ever done before. There are many people who can testify to the absolute truth of these statements, and I feel I would not be doing justice to your wonderful medicine if I did not make these facts known."

You can get these pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
