Why Stay Fat? You Can Reduce

The answer of most fat people is that it is too hard, too troublesome and too dangerous to force the weight down. However, in Marmola Prescription Tablets, all these difficulties are overcome. They are absolutely harmless, entail no dieting or exercise, and have the added advantage of cheapness. A large case is sold by druggists at \$1. Or if preferable, they can be obtained by sending price direct to the Marmola Co., 384 Woodward Ave., Detroit, Mich. Now that you know this you have no excuse for being too fat, but can reduce two, three or four pounds a week without fear of bad after-effects.

A very enjoyable informal dance was held in Murray Hall on Monday of this week. The chaperones were Mrs. George G. McKenzie, Mrs. R. B. Rosborough and Mrs. H. A. Carr. Canada Fights to Win

When Canada fought—Canada fought to win.

We are now in the midst of another campaign.

The Victory Loan is a campaign to raise money to pay the obligations that the war has left us, and to keep Canada prosperous. The Victory Loan 1919 calls for vigorous individual and concerted action.

It is a national platform on which all citizens concerned in their country's prosperity and welfare can, without reservation, take a strong, emphatic stand.

The Victory Loan 1919 is the "clean up" chapter in Canada's War History—it is needed to round out the most glorious of our achievements.

It is needed to "carry on" the National Business — to successfully bridge the period from War to Peace — and to speed our country along the highway of international commerce in successful competition with other great nations.

Your personal co-operation is imperative.
Your support is vital.

It is unthinkable that Canadians—united for years when things looked dark—would not, in the same spirit of patriotism, unite in this last great war effort.

Let us show the world again that what Canada undertakes Canada accomplishes.
