Thus far, the attempts tion is regarded with some concern by may lug a lot of gems, and velvet gowns and silver hems, and all suc but it would seem from the evidence sup- of the provincial government to increase the British foreign office. It is felt in doodads, to his wife, and then not brighten up her life one-half as tion of the city will not fail to disclose These are the retail prices, and not only plied by the article itself that he must the farming population have produced no London that this treaty with Russia will much as he might do if he would give, at times, a few kind words many sidewalks that are either badly is the reduction very marked but the have encountered treatment which made adequate results. Some hundreds of farm cause a change in the relations between that do not cost a yen, but make her heart grow young again.

FROM ALL OVER TI MARITIME I
