

WATERLOO NEWS RECORD

Mrs. Albert Frederiksen left for Vancouver this morning to join her husband, after spending a few months with her parents, Mr. and Mrs. Charles Kalbfleisch. She was accompanied to Toronto by her sister, Miss Lillie Kalbfleisch.

Mr. J. McBain of Hamilton was a business visitor in town yesterday.

Concert, Supper and Dance, Harmonie Hall, Waterloo, Thursday night, 11.

Mr. H. Spence of Toronto was in town yesterday on business.

The Labor Club will entertain their whole family for 50 cents, Thursday evening, Harmonie Hall, Waterloo, 11.

Mr. R. Atkinson of London was a business visitor in town this morning.

HARVESTING ICE CROP.
Preparations are under way for the harvesting of the ice crop in town and in the course of a few days, work will be in full swing and our housewives who felt anxious a few weeks ago, fearing there would be no ice for cooling purposes this summer will have their anxiety relieved.

The biggest 50 cents worth ever offered by Labor Club opening Harmonie Hall, Waterloo, 11.

Mr. and Mrs. F. Cameron of Toronto have returned home after spending several days with friends in town.

Mr. and Mrs. C. W. Schiedel, Albert Street, were the kind host and hostess of a jolly gathering of twin city friends at their home last evening. Progress 500 was played after which a dainty lunch was served.

A social hop was held last evening in the Harmonie Hall and the large number of invited guests enjoyed themselves to the full.

Everything is in readiness for the big event tomorrow night when the Labor Club will open their new quarters in the Harmonie Hall. The entertainment committee have been busy and the program will include numbers of a real high order. Following this, supper will be served after which there will be a social hop. The committee in charge are sparing no pains to make this event the biggest of the year.

BREAD PRICES.
With bread selling at 9 cents per loaf or 12 loaves for \$1.00 in Toronto, our citizens are beginning to wonder when a drop in price is going to take effect in town. According to press reports several loads of wheat brought in by farmers at the Toronto market were taken back home owing to their either not being room to store it or the price offered was not high enough. At any rate bread has come down in Toronto and there is a probability that it will drop still lower within the next few weeks. Toronto like some American cities have set the pace for the bringing down of the high price of certain necessary commodities and other cities and towns will eventually have to follow suit, the sooner the better.

A NUPTIAL EVENT

MAHN-PELITZ.
A pretty wedding was solemnized at the Lutheran Parsonage this afternoon at 2 o'clock when Miss Nelda Peltz, daughter of Mr. and Mrs. Wm. Peltz was united in the bonds of holy matrimony to Mr. Ezra Mahn, son of Mr. and Mrs. J. Mahn, Kitchener, Rev. E. Bockelmann officiating. The bride wore a beautiful wedding gown of crepe silk and customary bridal veil and carried a shower bouquet of Bridal Roses and Sweet peas. She was assisted by Miss Tena Mahn, sister of the groom, who wore a white dress and carrying a bouquet of Sweet Peas. The groom was assisted by Mr. Albert Peltz, brother of the bride.

After the nuptial knot had been tied the happy young couple repaired to the home of the bride's parents, where, after receiving the congratulations of the assembled guests the wedding dinner was served. The house decorations were in pink and white with pink and white carnations.

The groom's gift to the bride was a cut glass water set, to the bride a pendant and necklace and to the bridesmaid a pearl tie pin. The bride was the recipient of many useful, costly as well as ornamental presents and shows the high esteem in which she is held by her host of friends.

Mr. and Mrs. Mahn left on the G.P. and H. this afternoon at 4 o'clock on a short honeymoon trip to Hamilton, Brantford and other places and on their return will reside in Waterloo. The News Record joins heartily in wishing Mr. and Mrs. Mahn many years of happy married bliss.

Nobody likes corn flakes better than me—Bobby and I have the best.

POST TOASTIES

ENTHUSIASM MARKS THE PROCEEDINGS.

Stratford, Feb. 11.—Business men, merchants, farmers, members of the Federal and Provincial Parliaments, and a road-construction expert from each side of the international border, gathered at the Stratford City Hall this afternoon to boost western Ontario's campaign for a through trunk road from Hamilton to Sarnia. Assembled at the meeting were representatives of twenty cities and towns and thirteen counties through or across which the proposed highway is to run. After an afternoon spent in discussion, the representatives formed themselves into an organization to be known as the Central Ontario Provincial Highway Association, pledged to lay its case before the Provincial Government.

Enthusiasm and Big Visions.
Irrepressible enthusiasm for the big project marked the whole tone of the discussion. Sarnia delegates, particularly, gave a punch to the meeting and through two able speakers, Mr. F. F. Pardoe, M.P. for Lambton, and Mayor W. Nisbett, made it plain that the border city deemed a good road to the east not only a wise provincial investment, but an absolute essential to the development and progress for fertile Western Ontario. Mr. Pardoe pointed out that the proposed road would link up with the Hamilton highway, and provide a market road right through to Toronto. Comford, St. Marys, Parkhill and through the fruit belt in the north through the heart of the province, on to Sarnia, there to link up with the "Liberty Highway" of the State of Michigan, would be of great benefit to the territory contiguous to this line, and north thereof.

Thereof he resolved: That this convention express its hearty approval of the construction of this provincial highway, and urges that the Provincial Government do at once proceed with the trunk line, and commence survey work with a view to construction of a feeder system which would accommodate territory north and south of the proposed highway and east of Lake Huron.

Reasons to Present.
These are the reasons for the route which it is proposed to urge upon the Government: The line would serve the greatest population would be the most centrally located; be of great benefit to the Province as a whole; provide easy of construction because of proximity to road-building material; provide a necessary main artery for the Capital of the Province; afford relief to the Toronto-Hamilton highway, already overcrowded.

Federal Share of Cost.
Deputy Minister of Highways W. A. McEwan spoke last in order that he might clear up any points of doubt that might arise in the discussion. After reviewing for the members the Ontario Government's plans for a good roads campaign, he declared that besides the Provincial grant of 70 per cent. of the cost he believed it was an open secret that the Dominion Government was willing to assume 20 or 25 per cent. of the cost of the trunk road, leaving a very small balance for municipalities to assume.

Cannot Afford Not to Do It.
"Can Ontario afford such an undertaking, 'O'ntario?" he asked the meeting. "Ontario not only can afford it, but I think it cannot afford to do otherwise. And as for your own share of the cost, the advantage of such a highway will more than offset any cost that you can possibly put into it. Where the highway will not be called upon to bear heavy traffic, it would be wise to build at moderate cost. In the approach to cities or large towns it is wise to build of concrete, so that the roadbed will stand up to the traffic demands that are made upon it."

Just What They Have Been Doing.
There had been some apprehension expressed as to the attitude of the farmers. "If I were to ask the farmers of Western Ontario to spend twenty millions of dollars in the next ten years on good roads they would think I was crazy," he said. "But that is just what they have been doing. Every year, township Councils are voting two millions of dollars towards road improvement."

To Keep Faith with Motorists.
The Government, he said, had undertaken to use its receipts from automobile taxation for the construction of good roads and in this respect it had hopes that the \$1,214,000 present annual income would very shortly grow to two millions a year. This program, he said, had to be carried out if the Toronto Government were to keep faith with the motorists.

Four Cases Adjudicated.
Four cases of the civil list for the Spring Assizes which concluded yesterday were adjudicated. These were Wandless vs. Schwartz, Canadian Pyrotechnic Co. vs. Beggs; Mayfair Investments Co. vs. Somers, and Sam Harris vs. Ontario Mill Stock and Metal Company.

Mrs. George Metz of Stratford is a guest here.

Quite a number of fans accompanied the Union Jacks to Woodstock this afternoon.

THIRTEEN COUNTIES OUT TO GET THE BIG HIGHWAY

Favor Toronto to Sarnia Route and Forthwi.

ENTHUSIASM MARKS THE PROCEEDINGS.

Stratford, Feb. 11.—Business men, merchants, farmers, members of the Federal and Provincial Parliaments, and a road-construction expert from each side of the international border, gathered at the Stratford City Hall this afternoon to boost western Ontario's campaign for a through trunk road from Hamilton to Sarnia. Assembled at the meeting were representatives of twenty cities and towns and thirteen counties through or across which the proposed highway is to run. After an afternoon spent in discussion, the representatives formed themselves into an organization to be known as the Central Ontario Provincial Highway Association, pledged to lay its case before the Provincial Government.

"Your Little Pets Need Cascarets"

When children quarrel and fight, see if the little tongues are white. Hurry! clean the clogged-up places. Bring back smiles to little faces. Children think Cascarets are dandy. They are mild cathartic candy. Sell for a dime—"work" every time.

MOTHERS! You need never worry after giving your cross, feverish, bilious, or constipated child a Cascaret. This harmless candy cathartic thoroughly cleanses the tender little stomach, liver and bowels of all the toxins, sour fermentations and poisons. By morning the little dears are happy and playful again. Full directions on each 10 cent box.

responsible position with the Kitchen Furniture Company with the purpose of giving the public a service second to none in the province of Ontario and already the firm is working out plans that will place them in the foremost ranks. By reference to the firm's advertisement it will be seen that the services of Mr. Class are available at any hour of the day or night.

Beaver Literary Society, Williamsburg
Hold Successful Evening
CROWDED HOUSE ENJOYS EXCEPTIONALLY FINE PROGRAM

The school-house at Williamsburg was crowded to the doors last night long before the scheduled time, when the Beaver Literary Society gave one of the most interesting and clever programs they have organized for some time.

This special program was originally intended for the Christmas season, but the influenza epidemic caused several postponements.

However, last evening saw the program finally staged and great credit is due to the Society and performers.

One of the leading features of the program was the chorus of beautiful girls and of this there is no doubt that the chorus contained the pick of the district beauties.

The following ladies appeared: the Naval Cadets and the Basket Ball Girls—Alice, Stead, Ellen, Stead, Evangeline Newbury, Elsie Becker, Winnie Becker, Mary Jane Mann, Mary Kettering, Elsie Rich, Katie Dubriel, Kona Hagdon, Lou Hoelscher, and Margeline Wilhelm.

The Kitchener Furniture Company has made a further step forward in their service to the public and looking towards perfecting their undertaking and funeral conducting department. Mr. Edward Class has associated himself with the company, and is now in charge of the undertaking department. Mr. Class has had eleven years' practical experience in this work in this city and holds a diploma from a leading school, a qualified and registered embalmer. Young, energetic and progressive Mr. Class takes up his

Mason & Risch Pianos
"FROM FACTORY TO HOME"
Length of Service—Not Price Makes any Article a Good Value.

Regardless of price, no article is good which does not give long service. The piano you buy should be a permanent investment—the style of design does not change each year, and the high grade Mason & Risch piano you place in your home today will give you full satisfaction throughout a life-time. It is not difficult to select if you are choosing a Mason & Risch.

Buying from the manufacturer direct provides for your passing around the middleman—our "Factory to Home" plan gives you a substantial saving in cost.
